EVALUATION OF HOUSEHOLD SEWAGE TREATMENT SYSTEM (HSTS)

Township Type of system: On-lot Off-Lot Holding Number of Tank(s) - Size:	The opinions given may be rendered without knowledge of some of the individual parts of the HSTS and apply only to the date and time the opinion is made. Therefore, this opinion does not guarantee the future performance of the HSTS and is rendered with the expectation that the system will not be loaded beyond its original design capacity and that routine maintenance will be performed as required.

The findings of this evaluation are condition dependent and changes in weather and/or usage can create different results. Should this system create a nuisance/malfunction in the future, this system must be altered or replaced to meet code at the time of the malfunction/nuisance.

NOTE: If this Household is VACANT during the evaluation, the household sewage treatment system may not show signs of defects. Therefore, a re-inspection is recommended upon occupancy.
