(Attach additional sheets if necessary):				diswer to this	question is no or unknown, exp	
Chapter 766 of the Health and Safety Code requires one-family or two-family dwellings to have working smoke detectors installed in accordance with the requirements of the building code in effect in the area in which the dwelling is located including performance, location, and power source requirements. If you do not know the building code requirements ir effect in your area, you may check unknown above or contact your local building official for more information. A buyer may require a seller to install smoke detectors for the hearing impaired if: (1) the buyer or a member of the buyer's family who will reside in the dwelling is hearing impaired; (2) the buyer gives the seller written evidence of the hearing impairment from a licensed physician; and (3) within 10 days after the effective date, the buyer makes a written request for the seller to install smoke detectors for the hearing impaired and specifies the locations for the installation. The parties may agree who will bear the cost of installing the smoke detectors and which brand of smoke detectors to install.

Seller's Disclosure Notice Concerning the Property at <u>2624 Snow Bird Drive</u> , Harker Heights, TX 76548 Page 3 (Street Address and City)					
Are you (Seller) aware of any item, equipment, or system in or on the Property that is in need of repair? Tyes (if you are aware). If yes, explain (attach additional sheets if necessary).					
Are you (Seller) aware of any of the following conditions?* Write Yes (Y) if you are aware, write No (N) if you are not aware.					
N Present flood insurance coverage					
$ ho_{ m N}$ Previous flooding due to a failure or breach of a reservoir or a controlled or emergency release of water from a reserv					
N Previous water penetration into a structure on the property due to a natural flood event					
N Located wholly partly in a 100-year floodplain (Special Flood Hazard Area-Zone A, V, A99, AE, AO, AH, VE, or A					
Located D wholly D partly in a 500 year floodplain (Moderate Flood Hazard Area, Zone V (shaded))					
Located D wholly D partly in a floodway					
Located D wholly D partly in a flood pool					
N Located wholly partly in a reservoir					
If the answer to any of the above is yes, explain (attach additional sheets if necessary):					
*For a company of this motion.					
*For purposes of this notice: "100-year floodplain" means any area of land that:					
(A) is identified on the flood insurance rate map as a special flood hazard area, which is designated as					
Zone A, V, A99, AE, AO, AH, VE, or AR on the map;					
(B) has a one percent annual chance of flooding, which is considered to be a high risk of flooding; and (C) may include a regulatory floodway, flood pool, or reservoir.					
"500-year floodplain" means any area of land that:					
(A) is identified on the flood insurance rate map as a moderate flood hazard area, which is designated					
on the map as Zone X (shaded); and (B) has a two-tenths of one percent annual chance of flooding, which is considered to be a moderate					
risk of flooding.					
"Flood pool" means the area adjacent to a reservoir that lies above the normal maximum operating level of the					
reservoir and that is subject to controlled inundation under the management of the United States Army Corps of					
Engineers. "Flood insurance rate map" means the most recent flood hazard map published by the Federal Emergency					
Management Agency under the National Flood Insurance Act of 1968 (42 U.S.C. Section 4001 et seq.).					
"Floodway" means an area that is identified on the flood insurance rate map as a regulatory floodway, which					
includes the channel of a river or other watercourse and the adjacent land areas that must be reserved for the discharge of a base flood, also referred to as a 100-year flood, without cumulatively increasing the water surface elevation of more					
than a designated height.					
"Reservoir" means a water impoundment project operated by the United States Army Corps of Engineers that is					
intended to retain water or delay the runoff of water in a designated surface area of land.					
Have you (Seller) ever filed a claim for flood damage to the property with any insurance provider, including the National					
Flood Insurance Program (NFIP)?* Tyes Ves. If yes, explain (attach additional sheets as necessary):					
*Homes in high risk flood zones with mortgages from federally regulated or insured lenders are required to have					
flood insurance. Even when not required, the Federal Emergency Management Agency (FEMA) encourages homeowners in					
high risk, moderate risk, and low risk flood zones to purchase flood insurance that covers the structure(s) and the personal					
property within the structure(s).					
Have you (Seller) ever received assistance from FEMA or the U.S. Small Business Administration (SBA) for flood damage to the					
property? Tyes No. If yes, explain (attach additional sheets as necessary):
