ASSOCIATION OF ST. JOHNS COUNTY, INC.**

**I. DEFINITIONS**

All defined terms contained herein which are defined in the Declaration of Covenants and Restrictions for Palencia ("Declaration") as recorded in the public records of St. Johns County, Florida, and in the Articles of Incorporation for the Association ("Articles"), shall have the same meanings as such terms are defined in the Declaration and Articles.

**II. LOCATION OF PRINCIPAL OFFICE**

The office of the Palencia Property Owners Association of St. Johns County, Inc. ("Association") shall be at such place as may be established by resolution of the Board of Directors of the Association from time to time.

**III. MEMBERSHIP AND VOTING RIGHTS**

A. Membership shall be applicable to, and may not be separated from, ownership of any residential property or certain commercial property located within Palencia. Each Owner of record of any residential Lot or Building Site, whether it is a vacant Lot or has a home built on it, each Owner of record of any Condominium unit or Townhome unit, each Owner of any vacant building Site designated for future construction of a Condominium or Townhome Building, and each owner of a commercial property identified in Appendix A, shall be Members of the Association. Each Member will have one vote for each property owned.

B. Any person or entity who holds any interest in a Lot, Building Site, or Condominium/Townhome unit only as a security for the performance of an obligation shall not be a Member and shall have no voting rights. A select number of Owners of commercial buildings/units within Palencia shall be Members of the Association and shall have voting privileges and each Owner of a "live/work" building within Palencia shall be a Member of the Association and shall be entitled to vote in Association matters. The actual number of property Owners who are Members of the Palencia Property Owners Association is listed in Appendix A.

C. Voting privileges shall be suspended for any Member who is not current in paying Association assessments and installments when due and shall remain suspended during any period of such non-payment. Such suspension shall be effectuated pursuant to Section 720.305 of the Florida Statutes (2020), as amended from time to time.

**IV. BOARD OF DIRECTORS**

A. A majority of the Board of Directors of the Association (the "Board") shall constitute a quorum to transact business at any meeting of the Board, and the action of the majority present at a meeting at which a quorum is present shall constitute the action of the Board.

B. Any vacancy occurring on the Board because of death, resignation or other termination of services of any Director, shall be filled by the Board. A Director appointed to fill a vacancy shall be appointed for the unexpired term of their predecessor in office and thereafter until their successor shall have been elected or appointed.

C. A Director may be recalled and removed from office, with or without cause, by a majority of the Membership in the manner provided in Section 720.303(10) of the Florida Statutes.

## V. ELECTION OF DIRECTORS

The Board of Directors shall be elected by secret written or electronic ballot. At least sixty (60) days before a scheduled election, the Association shall mail, deliver, or electronically transmit, whether by separate Association mailing or included in another Association mailing (including regularly published newsletters) to each Member entitled to vote, a first notice of the date of the election. Any Member may nominate himself or herself as a candidate for the Board of Directors by giving written notice to the Association not less than forty days before the scheduled election. No Member will be permitted to run for election to the Board if they are delinquent in the payment of any monetary obligation due to the Association as of the deadline for written notice of intent to be a candidate, and any Member who has been convicted of any felony in this state or in a United States District or Territorial Court, or has been convicted of any offense in another jurisdiction which would be considered a felony if committed in this state, may not seek election to the Board of Directors and is not eligible for board membership unless such felon's civil rights have been restored for at least 5 years as of the date on which such Member seeks election to the Board of Directors. Nominations from the floor of a meeting are prohibited.

At least twenty-one (21) days before the scheduled election, the Association shall mail, deliver, or electronically transmit a second notice of election to all Members entitled to vote, together with an agenda and a ballot that shall list all eligible candidates in alphabetical order. Elections shall be decided by a plurality of ballots cast. A quorum of the Members is not required to conduct an election; however, at least twenty percent (20%) of the voting interests of the Members must be cast in order to have a valid election for the Board of Directors. There shall be no cumulative voting<sup>1</sup>, and no Member shall permit any other person to vote their ballot. Any improperly-cast ballots will be deemed invalid.

1. **Candidate Information Sheet.** Upon request of a candidate, the Association shall provide all Members entitled to vote with an information sheet for each nominee, no larger than 8 ½ inches by 11 inches, which must be completed by the candidate and submitted back to the Association at least thirty-five (35) days before the election to be included with the mailing of the ballot. The cost associated with the copying, mailing, and delivery shall be borne by the Association.
2. **Assistance for Disability.** Any Member who needs assistance with casting a ballot for reasons related to blindness, an inability to read or write, or other disability may request assistance in casting his or her ballot.
3. **Election Not Required.** An election and balloting are not required unless there are more eligible candidates that timely file notices of intent to run than there are vacancies on the Board. If the number of vacancies is equal or greater than the number of eligible candidates, the eligible candidates shall take office upon the adjournment of the meeting at which the election was scheduled to occur, irrespective of whether a quorum was attained at the meeting.
4. If an election cannot be conducted because the Association did not receive ballots from the requisite percentage of the voting interests of the Members, the directors whose terms would have otherwise expired shall continue to serve until the next election. At the next election, and to maintain staggered terms for directors, the three elected candidates receiving the most votes shall serve a two (2) year term and the two elected candidates receiving the least number of votes shall serve a

one (1) year term. If a tie vote occurs such that there are not three elected candidates who received the most votes, then the terms of each director receiving the same number of votes shall be two (2) years.
