In accordance with the Master Plan, each detached Homesite includes parcels of land as shown on any recorded subdivision plats of the Properties and any improvements thereon. The Common Property, which is intended to consist of all those portions of the Properties lying outside the boundaries of other Homesites, including open space, shall be conveyed to the Association.

The maintenance of each Homesite, including all improvements located thereon, shall be the responsibility of each Owner. Owners shall be responsible for the cost of repairing their driveways, and any utility lines not otherwise maintained by the utility company, running from the main line to the dwelling.

In recording this Declaration and in organizing the Association, it is the intention of Declarant to create a body of rules and regulations whereby the beauty of the community and the Homesites will be enhanced, and the Owners of the Homesites will have the means of enforcing the same to that end. It is further intended that each Owner have the right to use and enjoy the Common Property to the fullest extent possible, within the guidelines set forth in this Declaration, and subject to such other rules and regulations governing the use of said Common Property as may be adopted by the Board of Directors. The easements established herein shall be construed in a manner so as to provide each Owner with access to the Owner's Homesite, for ingress and egress, for the maintenance thereof, and access to all utilities necessary or convenient for the use and enjoyment of each Homesite. Accordingly, the easements established herein in the Common Property, and in the Property, shall be considered appurtenant to each Owner's Homesite, and shall be included with the conveyance of each Homesite, whether or not such easements are specifically or expressly included or described in the deed conveying the same.

ARTICLE 3: PROPERTY RIGHTS

3.1. Common Property - General. Common Property shall include all real property (together with any and all improvements now or hereafter located thereon), and all personal property, both tangible and intangible, owned by the Association for the common use and enjoyment of the Owners, including easements and leaseholds held by the Association for such purpose, and as set forth above, it is intended by Declarant that such Common Property shall include all of the real property within the community located outside the boundary lines of the Homesites. The Association may acquire, hold, and dispose of all Common Property. Declarant and its designees, with Declarant's prior written consent, may convey to the Association improved or unimproved real estate, or interests in real estate, located within the property described in Exhibit "A," personal property and leasehold and other property interests, including, but not limited to easements. The Association covenants and agrees that with respect to improved Common Property, issuance of a certificate of occupancy (if required) by the local governing authority shall be conclusive evidence that said property complies with all building and construction standards. Neither Declarant nor any successor Declarant shall be responsible for compliance with any requirements prescribed by any local governing authority after the issuance of a certificate of occupancy. Upon written request of Declarant, the Association shall reconvey to Declarant any unimproved portions of the Properties originally conveyed by Declarant to the Association for no (or nominal) consideration, to the extent conveyed by Declarant in error or needed by Declarant to make adjustments in property lines.

3.3 Use and Enjoyment of the Common Property. Every Owner shall have a right and nonexclusive easement of use, access, and enjoyment in and to the Common Property, which is appurtenant to and shall pass with the title to each Homesite, subject to:

- (a) This Declaration and all other Governing Documents;
- (b) Any restrictions or limitations contained in any deed conveying Common Property to the Association;
- (c) The right of the Board to adopt, amend and repeal rules regulating the use and enjoyment of the Common Property, including rules limiting the number of guests who may use the Common Property.

- (e) The right of the Board to suspend the right of an Owner to use any recreational and social facilities within the Common Property pursuant to Section 5.3;
- (f) The right of the Board to impose reasonable requirements and charge reasonable admission or other use fees for the use of any facility situated upon the Common Property ;
- (g) The right of the Board to permit use of any facilities situated on the Common Property by persons other than Owners, their families, lessees and guests upon payment of reasonable use fees, if any, established by the Board;
- (h) The right of the Association, acting through the Board, to mortgage, pledge, or hypothecate any or all of its real or personal property as security for money borrowed or debts incurred.
- (i) The right of the Association, acting through the Board, to dedicate or transfer all or any portion of the Common Property, subject to any approval requirements set forth in the Governing

Documents;

(j) The right of Declarant to conduct activities and establish facilities within the Properties as provided in Article 14;

(k) The right of the Association, acting through the Board of Directors and without a vote of the members, to dedicate or grant licenses, permits, easements and rights-of-way over, under and through the Common Property; and

Subject to the foregoing, any Owner may extend his or her right of use and enjoyment of the Common Property to the members of his or her family, lessees, and social invitees, as applicable, subject to reasonable regulation by the Board. An Owner who leases his or her Homesite shall be deemed to have assigned all such rights to the lessee of such Homesite.

Prior to conveyance of the Common Property to the Association, Owners shall have access and enjoyment to all land outside the boundaries of the Homesites as shown on any recorded subdivision plat of the Properties, subject to the right of Declarant to modify the boundaries of the Homesites.

3.4 Designated Areas of Common Responsibility. The following property and features are designated as "Areas of Common Responsibility" of the Association. While the Association shall not own such property or features, nevertheless, the Association is obligated to maintain the same in accordance with the Community-Wide Standards:

(b) All entry monuments, and landscaped property located within street islands, or rights-of-way for public roads not located within a Homesite;

(c) Such other Areas of Common Responsibility designated by Declarant or the Board or required by the governing authorities or zoning restrictions.

(d) All alleyways.

3.5 No Partition. Except as permitted in this Declaration, there shall be no judicial partition of the Common Property. No Person shall seek any judicial partition unless the portion of the Common Property which is the subject of such partition action has been removed from the provisions of this Declaration. This Section shall not prohibit the Board from acquiring and disposing of tangible personal property nor from acquiring and disposing of other real property which may or may not be subject to this Declaration.

3.6 Condemnation. The Association shall be the sole representative with respect to condemnation proceedings concerning Common Property and shall act as attorney-in-fact for all Owners in such matters. If any part of the Common Property shall be taken by any authority having

the power of condemnation or eminent domain or conveyed in lieu of and under threat of condemnation by the Board acting on the written direction of Members holding at least sixty-seven percent (67%) of the total votes in the Association and, during the Development Period, the written consent of Declarant, each Owner shall be entitled to written notice of such taking or conveyance prior to disbursement of any condemnation award or proceeds of such conveyance. The award made for such taking or proceeds of such conveyance shall be payable to the Association.

ARTICLE 4: MEMBERSHIP AND VOTING RIGHTS

4.1 Membership. Every Owner shall be a Member of the Association. There shall be only one (1) membership per Homesite. If a Homesite is owned by more than one (1) Person, all co-Owners shall share the privileges of such membership, subject to reasonable Board regulation and the restrictions on voting set forth in Section 4.2(a) and in the Bylaws. The membership rights of an Owner which is not a natural person may be exercised by any officer, director, member, manager, partner or trustee of such Owner, or by any individual designated from time to time by the Owner in a written instrument provided to the secretary of the Association.

(a) Each membership, except for Declarant, shall have one (1) equal vote for each Homesite in which they hold the interest required for membership under Section 4.1; provided however, there shall be only one (1) vote per Homesite and no vote shall be exercised for any property which is exempt from assessment under Section 9.10. When more than one Person has an interest in the same Homesite, the vote for such Homesite shall be exercised as they, among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Homesite. In the event of disagreement among such Persons and an attempt by two or more of them to cast the vote of such Homesite, such Persons shall not be recognized and the vote of such Homesite shall not be counted.

(b) Declarant shall not have a specific number of votes but may appoint all or a majority of the members of the Board of Directors during the Control Period which shall continue until the first to occur of the following:

(i) Within four (4) months after one hundred (100%) percent of the Homesites contemplated by the Master Plan, as it may be amended from time to time, have certificates of occupancy issued thereon and have been conveyed to Persons other than Builders;

(ii) Ten (10) years after the date of recording of this Declaration; or

(iii) When, in its discretion, Declarant so determines and voluntarily relinquishes such right in writing.

After termination of the Control Period, but continuing through the Development Period, Declarant shall have the right to veto actions of the Board and committees.

ARTICLE 5: RIGHTS AND OBLIGATIONS OF THE ASSOCIATION

5.1 Function of Association. The Association shall be the entity responsible for management, maintenance, operation and control of the Common Property and all improvements

thereon. The Association shall be the primary entity responsible for enforcement of this Declaration and such reasonable rules regulating use of the Properties as the Board may adopt pursuant to Article 9. The Association shall also be responsible for administering and enforcing the architectural standards and controls set forth in this Declaration and in such Architectural Standards, as may be promulgated and adopted by the ARB. The Association shall perform its functions in accordance with the Governing Documents and the laws of the State of Tennessee.

5.2 Personal Property and Real Property for Common Use. As set forth in Section 3.1, the Association may acquire, hold, and dispose of tangible and intangible personal property and real property, and Declarant and its designees, with Declarant's prior written consent, may convey to the Association improved or unimproved real estate, or interests in real estate, located within the property described in Exhibit "A," personal property and leasehold and other property interests, including, but not limited to easements. Upon written request of Declarant, the Association shall reconvey to Declarant any unimproved portions of the Properties originally conveyed by Declarant to the Association for no consideration, to the extent conveyed by Declarant in error or needed by Declarant to make adjustments in property lines.

5.3 Enforcement. The Board or any committee established by the Board, with the Board's approval, may impose sanctions for violation of the Governing Documents after compliance with the notice and hearing procedures set forth in the Bylaws. Such sanctions may include, without limitation:

(a) Imposing monetary fines which shall constitute a lien upon the violator's Homesite or other property subject to provisions of this Declaration (In the event that any occupant, guest or invitee of a Homesite violates the Governing Documents and a fine is imposed, the fine shall first be assessed against the occupant; provided however, if the fine is not paid by the occupant within the time period set by the Board, the Owner shall pay the fine upon notice from the Board.);

(b) Filing notices of violations in the Public Records providing record notice of any violation of the Governing Documents;

(c) Suspending an Owner's right to vote; provided that any such suspension shall be for the balance of the period in which said Owner shall remain in violation, breach or default, except that in the case of a violation of any use restrictions, or rules and regulations adopted by the Board relating to the use, operation and maintenance of the Common Property, the suspension maybe for a period not to exceed sixty (60) days after the cure or termination of such violation;

(d) Suspending any Person's right to use and enjoy the Common Property; provided however, nothing herein shall authorize the Board to limit ingress or egress to or from a Homesite;

(e) Suspending any nonessential services provided by the Association to an Owner or the Owner's Homesite if the Owner is more than thirty (30) Days delinquent in paying any assessment or other charge owed to the Association; and

(f) In the event any Owner or other person subject to assessment is more than sixty (60) days delinquent in the payment of any assessment, notifying any or all Mortgagees having a security

interest in the Owner's Homesite (or in property annexed pursuant to a Limited Supplemental Declaration) that such Owner is in default in the performance of his obligations under this Declaration, and of those actions taken or proposed to be taken by the Association as a result of the default.

In addition, the Board, or the covenants committee if established, may elect to enforce any provision of the Governing Documents by exercising self-help (specifically including, but not limited to, the filing of liens in the Public Records for non-payment of assessments and other charges, the correction of any maintenance, construction or other violation of the Governing Documents) without the necessity of compliance with the procedures set forth in the Bylaws. The Association may levy a Specific Assessment to cover all costs incurred in bringing a Homesite into compliance with the Governing Documents.

The Association may also elect to enforce any provisions of the Governing Documents by suit at law or in equity to enjoin any violation or to recover monetary damages or both without the necessity of compliance with the procedures set forth in the Bylaws.

All remedies set forth in this Declaration and the Bylaws shall be cumulative of any remedies available at law or in equity. In any action or remedy taken by the Association to enforce the provisions of the Governing Documents, if the Association prevails, it shall be entitled to recover all costs, including, without limitation, reasonable attorney's fees and court costs, reasonably incurred in such action.

The Association shall not be obligated to take action to enforce any covenant, restriction, or rule which the Board in the exercise of its business judgment determines is, or is likely to be construed as, inconsistent with applicable law, or in any case in which the Board reasonably determines that the Association's position is not strong enough to justify taking enforcement action. Any such determination shall not be construed as a waiver of the right of the Association to enforce such provision under any circumstances or prevent the Association from enforcing any other covenant, restriction or rule.

The Association, by contract or other agreement, may enforce county, city, state and federal ordinances, if applicable, and permit local and other governments to enforce ordinances on the Properties for the benefit of the Association and its Members.

5.4 Implied Rights; Board Authority. The Association may exercise any right or privilege given to it expressly by this Declaration or the Bylaws, or reasonably implied from or reasonably necessary to effectuate any such right or privilege. Except as otherwise specifically provided in this Declaration, the Bylaws, the Charter, or by law, all rights and powers of the Association may be exercised by the Board without a vote of the membership.

5.5 Indemnification. The Association shall indemnify every officer, director, ARB member, and committee member against all damages, liabilities, and expenses, including reasonable attorneys fees, incurred in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which he or she may be a party by reason of being or having been an officer, director, ARB member or committee member, except that

such obligation to indemnify shall be limited to those actions for which liability is not otherwise limited under this Section, the Charter and Tennessee law.

The officers, directors, ARB members and committee members shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct, gross negligence, reckless conduct or bad faith. The officers, directors, ARB members, and committee members shall have no personal liability with respect to any contract or other commitment made or action taken in good faith on behalf of the Association (except to the extent that such officers, directors, ARB members or committee members may also be Members of the Association). The Association shall indemnify and forever hold each such officer, director, ARB member and committee member harmless from any and all liability to others on account of any such contract, commitment or action. This right to indemnification shall not be exclusive of any other rights to which any present or former officer, director, ARB member or committee member may be entitled. The Association shall, as a Common Expense, maintain adequate general liability and may obtain officers' and directors' liability insurance to fund this obligation, if such insurance is reasonably available.

5.6 Dedication of or Grant of Easements on Common Property . The Association may dedicate or grant easements across portions of the Common Property to the Local Governing Authority, or to any other local, state, or federal governmental or quasi-governmental entity.

5.7 Security. Each Owner and occupant of a Homesite, and their respective guests and invitees, shall be responsible for their own personal safety and the security of their property in the Properties. The Association may, but shall not be obligated to, maintain or support certain activities within the Properties designed to make the Properties safer than they otherwise might be. Neither the Association, the original Declarant, nor any successor Declarant shall in any way be considered insurers or guarantors of security within the Properties, nor shall any of them be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken. No representation or warranty is made that any security system or measure, including any mechanism or system for limiting access to the Properties, cannot be compromised or circumvented, nor that any such system or security measure undertaken will in all cases prevent loss or provide the detection or protection for which the system is designed or intended. Each Owner acknowledges, understands and covenants to inform its tenants and all occupants of its Homesite that the Association, its Board of Directors and committees, Declarant, and any successor Declarant are not insurers and that each Person using the Properties assumes all risks of personal injury and loss or damage to property, including Homesites and the contents of Homesites, resulting from acts of third parties.

ARTICLE 6: MAINTENANCE

6.1 Association's Responsibility

(a) The Association shall maintain and keep in good condition, order and repair the Area of Common Responsibility, which includes, but need not be limited to:

- (i) All Common Property;

- (ii) All designated Areas of Common Responsibility described in Section 3.5;
 - (iii) All alleyways
 - (iv) All perimeter fencing, landscaping and other flora, parks, ponds, structures, and improvements, including any entry features and irrigation systems within the Common Property, parking areas, bike and pedestrian pathways/trails, if any, and recreation facilities, if any, situated upon the Common Property;
 - (v) All furnishings, equipment and other personal property of the Association;
 - (vi) Any landscaping and other flora, buffers, entry features, structures and improvements included within public rights-of-way located within or abutting the Properties, including but not limited to street lights, or upon such other public land adjacent to the Properties as deemed necessary in the discretion of the Board;
 - (vii) Such additional portions of any features and property included within the Area of Common Responsibility as may be designated by this Declaration, any Supplemental Declaration, or any contract or agreement for maintenance thereof entered into by the Association;
 - (viii) All ponds, streams, detention ponds, and/or wetlands located within the Properties which serve as part of the drainage and storm water retention system for the Properties, including any retaining walls, berms along the land adjacent to the Three Rivers community, bulkheads or dams (earthen or otherwise) retaining water therein, and any fountains, lighting, pumps, conduits, and similar equipment installed therein or used in connection therewith; and
 - (ix) Any property and facilities owned by Declarant and made available, on a temporary or permanent basis, for the primary use and enjoyment of the Association and its Members, such property and facilities to be identified by written notice from Declarant to the Association and to remain a part of the Area of Common Responsibility and be maintained by the Association until such time as Declarant revokes such privilege of use and enjoyment by written notice to the Association.
- (b) The Association shall maintain the facilities and equipment within the Common Property in continuous operation, except for any periods necessary to perform required maintenance or repairs.
- (c) The Association may be relieved of all or any portion of its maintenance responsibilities herein to the extent that such property is dedicated to any local, state, or federal government or quasi- governmental entity; provided however, that in connection with such assumption, assignment or dedication, the Association may reserve or assume the right or obligation to continue to perform in all or any portion of its maintenance responsibilities, if the Board determines that such maintenance is necessary or desirable to maintain the Community-Wide Standard.

(d) Except as provided above, the Area of Common Responsibility shall not be reduced by amendment of this Declaration or any other means during the Development Period except with the written consent of Declarant.

(e) Except as otherwise specifically provided herein, all costs associated with maintenance, repair and replacement of the Area of Common Responsibility shall be a Common Expense to be allocated among all Homesites as part of the General Assessment, without prejudice to the right of the Association to seek reimbursement from the owner(s) of, or other Persons responsible for, certain portions of the Area of Common Responsibility pursuant to the Governing Documents, any recorded covenants, or any agreements with the owner(s) thereof.

(f) In the event that the Association fails to properly perform its maintenance responsibilities hereunder and to comply with the Community-Wide Standard, Declarant may, upon not less than ten (10) Days notice and opportunity to cure such failure, cause such maintenance to be performed and in such event, shall be entitled to reimbursement from the Association for all costs incurred.

6.2 Owner's Responsibility. Each Owner shall maintain all aspects of his or her Homesite and the improvements thereon. In addition to any other enforcement rights, if an Owner fails properly to perform his or her maintenance responsibility, the Association may perform such maintenance responsibilities and assess all costs incurred by the Association against the Homesite and the Owner in accordance with Section 9.6(b). The Association shall afford the Owner reasonable notice and an opportunity to cure the problem prior to entry, except when entry is required due to an emergency situation.

6.3 Standard of Performance. Responsibility for maintenance shall include responsibility for repair and replacement, as necessary. All maintenance shall be performed in a manner consistent with the Community-Wide Standard and all Governing Documents. Neither the Association nor any Owner shall be liable for any damage or injury occurring on, or arising out of the condition of, property which such Person does not own except to the extent that it has been negligent in the performance of its maintenance responsibilities.

ARTICLE 7: INSURANCE AND CASUALTY LOSSES

7.1 Association Insurance.

(a) **Required Coverages.** The Association, acting through its Board or its duly authorized agent, shall obtain and continue in effect the following types of insurance, if reasonably available, or if not reasonably available, the most nearly equivalent coverages as are reasonably available:

(i) Blanket property insurance on any Common Property or Area of Common Responsibility (except dwellings owned by members);

(ii) Commercial general liability insurance on the Common Properties and on the Area of Common Responsibility, insuring the Association and its Members;

(iii) Workers compensation insurance and employers liability insurance, if and to the

extent required by law;

(iv) Fidelity insurance covering all Persons responsible for handling Association funds in an amount at least equal to 3 months General Assessments plus reserves; and

(v) Such additional insurance as the Board, in its best business judgment, determines advisable, which may include, without limitation, flood insurance and directors and officers liability coverage.

In the event of an insured loss, the deductible shall be treated as a Common Expense and assessed against all Homesites. However, if the Board reasonably determines, after notice and an opportunity to be heard in accordance with the Bylaws, that the loss is the result of the negligence or willful misconduct of one (1) or more Owners, their guests, invitees, or lessees, then the Board may specifically assess the full amount of such deductible against such Owner(s) and their Homesites pursuant to Section 9.6.

(b) The Association shall arrange for annual reviews of the sufficiency of insurance coverage by one (1) or more qualified Persons, at least one (1) of whom must be familiar with insurable replacement costs in the Rutherford County area.

All Association policies shall provide for a certificate of insurance to be furnished to the Association and to each Member upon request. The policies may contain a reasonable deductible and the amount thereof shall not be subtracted from the face amount of the policy in determining whether the policy limits satisfy the requirements of Section 7.1(a).

(i) All insurance coverage obtained by the Board shall:

(1) be written with a company authorized to do business in the State of Tennessee which satisfies the requirements of the Federal National Mortgage Association, or such other secondary mortgage market agencies or federal agencies as the Board deems appropriate;

(2) be written in the name of the Association as trustee for the benefited parties. Policies on the Common Properties shall be for the benefit of the Association and its Members;

(3) not be brought into contribution with insurance purchased by Owners, occupants, or their Mortgagees individually;

(4) contain an inflation guard endorsement;

(5) include an agreed amount endorsement, if the policy contains a co-insurance clause;

(ii) In addition, after the Control Period ends, the Board shall use reasonable efforts to secure insurance policies which provide:

(1) a waiver of subrogation as to any claims against the Association's Board.

officers, employees, and its manager, the Owners and their tenants, servants, agents, and guests;

(2) a waiver of the insurer's rights to repair and reconstruct instead of paying cash;

(3) an endorsement precluding cancellation, invalidation, suspension, or non-renewal by the insurer on account of any one (1) or more individual Owners, or on account of any curable defect or violation without prior written demand to the Association to cure the defect or violation and allowance of a reasonable time to cure;

(4) an endorsement excluding Owners' individual policies from consideration under any "other insurance" clause;

(5) a cross liability provision; and

(6) a provision vesting the Board with the exclusive authority to adjust losses; provided however, no Mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related to the loss.

(c) In the event of any insured loss to the Common Property, only the Board or its duly authorized agent may file and adjust insurance claims and obtain reliable and detailed estimates of the cost of repair or reconstruction. Repair or reconstruction, as used in this subsection, means repairing or restoring the property to substantially the condition in which it existed prior to the damage, allowing for changes or improvements necessitated by changes in applicable building codes.

Any damage to or destruction of the Common Property shall be repaired or reconstructed unless the Members holding at least eighty percent (80%) of the total eligible votes in the Association (and, during the Development Period, Declarant) shall decide within sixty (60) Days after the loss not to repair or reconstruct. No Mortgagee shall have the right to participate in the determination of whether the damage or destruction to the Common Property shall be repaired or reconstructed.

If determined in the manner described above that the damage or destruction to the Common Property shall not be repaired or reconstructed and no alternative improvements are authorized, the affected property shall be cleared and maintained by the Association consistent with the Community-Wide Standard.

Any insurance proceeds remaining after paying the costs of repair or reconstruction, or after such settlement as is necessary and appropriate, shall be retained by and for the benefit of the Association and placed in a capital improvements account. This is a covenant for the benefit of Mortgagees and may be enforced by the Mortgagee of any affected Homesite.

If insurance proceeds are insufficient to cover the costs of repair or reconstruction, the Board of Directors may, without a vote of the Members, levy Special Assessments to cover the shortfall.

7.2 Owners' Insurance. By virtue of taking title to a Homesite, each Owner covenants and

agrees with all other Owners and with the Association to carry property insurance for the full replacement cost of all insurable improvements on his or her Homesite, less a reasonable deductible.

Each Owner further covenants and agrees that in the event of damage to or destruction of structures on or comprising his or her Homesite, the Owner shall proceed promptly to repair or to reconstruct in a manner consistent with the original construction or such other plans and specifications as are approved in accordance with Article 10. Alternatively, the Owner shall clear the Homesite of all debris and ruins and maintain the Homesite in a neat and attractive, landscaped condition consistent with the Community-Wide Standard. The Owner shall pay any costs which are not covered by insurance proceeds.

ARTICLE 8: ANNEXATION AND WITHDRAWAL OF PROPERTY

8.1 Annexation by Declarant. Until six (6) years after the recording of this Declaration in the Public Records, Declarant may from time to time unilaterally subject to the provisions of this Declaration all or any portion of the Additional Property. Declarant may transfer or assign this right to annex property, provided that the transferee or assignee is the developer of at least a portion of the real property described in Exhibits "A" or "B" and that such transfer is memorialized in a written, recorded instrument executed by Declarant.

8.2 Annexation by Membership. The Association may annex any real property to the provisions of this Declaration with the consent of the owner of such property, the affirmative vote of Members holding a Majority of the votes of the Association represented at a meeting duly called for such purpose, and, during the Development Period, the written consent of Declarant. Such annexation shall be accomplished by filing a Supplemental Declaration describing the property being annexed in the Public Records. Any such Supplemental Declaration shall be signed by the president and the secretary of the Association, and by the owner of the annexed property, and by Declarant, if Declarant's consent is required. Any such annexation shall be effective upon filing unless otherwise provided therein.

8.3 Withdrawal of Property. Declarant reserves the right to amend this Declaration during the Development Period, for the purpose of removing any portion of the Properties from the coverage of this Declaration. Such amendment shall not require the consent of any Person other than the Owner of the property to be withdrawn, if not Declarant. If the property is Common Property, the Association shall consent to such withdrawal.

8.4 Additional Covenants and Easements. Declarant may unilaterally subject any portion of the Properties to additional covenants and easements, including covenants obligating the Association to maintain and insure such property on behalf of the Owners and obligating such Owners to pay the costs incurred by the Association through Specific Assessments. Such additional covenants and easements shall be set forth in a Supplemental Declaration filed either concurrently with or after the annexation of the subject property, and shall require the written consent of the owner(s) of such property, if other than Declarant. Any such Supplemental Declaration may supplement, create exceptions to, or otherwise modify the terms of this Declaration as it applies to the subject property in order to reflect the different character and intended use of such property.

8.5 Amendment. This Article shall not be amended during the Development Period without the prior written consent of Declarant.

ARTICLE 9: ASSESSMENTS

9.1 Creation of Assessments. There are hereby created assessments for Association expenses as the Board may specifically authorize from time to time. There shall be three (3) types of assessments: (a) General Assessments as described in Section 9.2; (b) Special Assessments as described in Section 9.5; and (c) Specific Assessments as described in Section 9.6. Each Owner, by accepting a deed or entering into a recorded contract of sale for any portion of the Properties, is deemed to covenant and agree to pay these assessments.

All assessments and other charges, together with interest, late charges, costs of collection, and reasonable attorneys fees, shall be a charge and continuing lien upon each Homesite against which the assessment or charge is made until paid, as more particularly provided in Section 9.7. Each such assessment or charge, together with interest, late charges, costs, and reasonable attorneys fees, also shall be the personal obligation of the Person who was the Owner of such Homesite at the time the assessment arose. Upon a transfer of title to a Homesite, the grantee shall be jointly and severally liable for any assessments and other charges due at the time of conveyance. However, no first Mortgagee who obtains title to a Homesite by exercising the remedies provided in its Mortgage shall be liable for unpaid assessments which accrued prior to such acquisition of title.

The Association shall, upon request, furnish to any Owner liable for any type of assessment a written statement signed by an Association officer or designee setting forth whether such assessment has been paid. Such statement shall be conclusive evidence of payment. The Association may require the advance payment of a reasonable processing fee for the issuance of such statement.

Assessments shall be paid in such manner and on such dates as the Board may establish, which may include discounts for early payment or similar time/price differentials. The Board may require advance payment of assessments at closing of the transfer of title to a Homesite and impose special requirements for Owners with a history of delinquent payment. If the Board so elects, assessments may be paid in two (2) or more installments. Unless the Board otherwise provides, the General Assessment shall be due and payable in advance on the first day of each fiscal year. If any Owner is delinquent in paying any assessments or other charges levied on his or her Homesite, the Board may require any unpaid installments of all outstanding assessments to be paid in full immediately. Any assessment or installment thereof shall be considered delinquent on the fifteenth (15th) day following the due date unless otherwise specified by Board resolution.

No Owner may exempt himself or herself from liability for assessments by non-use of Common Property, abandonment of his or her Homesite, or any other means. The obligation to pay assessments is a separate and independent covenant on the part of each Owner. No diminution or abatement of assessments or set-off shall be claimed or allowed for any alleged failure of the Association or Board to take some action or perform some function required of it, or for inconvenience or discomfort arising from the making of repairs or improvements, or from any other action it takes.

The Association is specifically authorized to enter into subsidy contracts or contracts for "in kind" contribution of services, materials, or a combination of services and materials with Declarant for payment of Common Expenses.

The Board is expressly authorized and empowered to vary initiation fees and assessment amounts as to the different 'communities' located within the Three Rivers development and for dwelling houses which abut Cason Lane.

9.2 Computation of General Assessments. At least thirty (30) Days before the beginning of each fiscal year, the Board shall prepare a budget covering the estimated Common Expenses during the coming year, which may include a contribution to establish a reserve fund.

General Assessments shall be levied equally against all Homesites and other property subject to assessment and shall be set at a level which is reasonably expected to produce total income for the Association equal to the total budgeted Common Expenses, including any reserves. In determining the level of General Assessments, the Board, in its discretion, may consider other sources of funds available to the Association, including any surplus from prior years, and any assessment income expected to be generated from any additional Homesites reasonably anticipated to become subject to assessment during the fiscal year.

Unless required as a matter of law, neither Declarant, predecessor Declarants, nor any Builder who has purchased land from Declarant for the purpose of erecting a dwelling thereon, shall at any time be subject to any assessments. During the Control Period, Declarant may, but shall not be obligated to, reduce the General Assessment for any fiscal year by payment of a subsidy and/or contributions of services and materials, which may be treated as either a contribution or an advance against future assessments due from Declarant, or a loan, in Declarant's discretion. Any such anticipated payment or contribution by Declarant shall be disclosed as a line item in the Common Expense budget. Payments by Declarant in any year shall under no circumstances obligate Declarant to continue such payments in future years, unless otherwise provided in a written agreement between the Association and Declarant. Notwithstanding the preceding, the assessments will commence as to each Homesite owned by Declarant, predecessor Declarants, or a Builder upon its occupancy as a residence. In addition and notwithstanding anything to the contrary herein, Declarant may contribute assessments due from it in services or materials or a combination of services and materials, rather than in money, (herein collectively called "in kind contribution"). The amount by which monetary assessments shall be decreased as a result of any in kind contribution shall be the fair market value of the contribution.

9.3 Operating Budget. The Board shall send a copy of the annual operating budget and notice of the amount of the General Assessment for the following year to each Owner or other person subject to assessments at least thirty (30) Days prior to the beginning of the fiscal year for which it is to be effective. Such budget and assessment shall become effective unless disapproved at a meeting by Members holding at least sixty-seven percent (67%) of the total votes in the Association and, during the Development Period, by Declarant. There shall be no obligation to call a meeting for the purpose of considering the budget except on petition of the Members as provided for special meetings in the Bylaws, which petition must be presented to the Board within twenty (20)

Days after delivery of the notice of assessments. If a meeting is requested, assessments pursuant to such proposed budget shall not become effective until after such meeting is held, provided such assessments shall be retroactive to the original effective date of the budget if the budget is not disapproved at such meeting.

If the proposed budget is disapproved or the Board fails for any reason to determine the budget for any year, then until such time as a budget is determined, the budget in effect for the immediately preceding year shall continue for the current year. In such event or if the budget proves inadequate for any reason, the Board may prepare a revised budget for the remainder of the fiscal year. The Board shall send a copy of the revised budget to each Owner and other persons subject to assessments at least thirty (30) Days prior to its becoming effective. The revised budget shall become effective unless disapproved in accordance with the above procedure.

9.4 Budgeting for Reserves. The Board shall prepare and periodically review separate reserve budgets for the Common Property, and for Areas of Common Responsibility which take into account the number and nature of replaceable assets, the expected life of each asset, and the expected repair or replacement cost of capital items under each budget. The Board shall include a capital contribution to fund reserves in an amount which the Board, in the exercise of its business judgment, deems sufficient to meet the projected needs under each budget with respect to both amount and timing by annual contributions for the budget period.

The reserve budget shall establish an appropriate reserve fund, in an amount to fund periodic major maintenance and repair.

Reserve funds shall be held in a separate account or accounts from the operating and other funds of the Association.

The reserve funds held in each account may be expended only for major maintenance, repair, or replacement of those assets covered by the reserve budget pursuant to which they were collected. Subject to such limitation, the Board may adopt resolutions regarding the expenditure of any reserve funds including, without limitation, policies designating the nature of assets for which reserve funds may be expended. Neither the Association membership, nor the Board shall adopt, modify, limit or expand such policies without Declarant's prior written consent during the Development Period.

9.5 Special Assessments. In addition to other authorized assessments, the Association may levy Special Assessments from time to time to cover unbudgeted expenses or expenses in excess of those budgeted. Special Assessments shall be allocated equally among all Homesites. There shall be no obligation to call a meeting for the purpose of considering any Special Assessment except on petition of the Members as provided for special meetings in the Bylaws, which petition must be presented to the Board within twenty (20) Days after delivery of the notice of such Special Assessment. Special Assessments shall be payable in such manner and at such times as determined by the Board, and may be payable in installments extending beyond the fiscal year in which the Special Assessment is approved.

9.6 Specific Assessments. The Association shall have the power to levy Specific Assessments against a particular Homesite or other property subject to a Limited Supplemental

Declaration as follows:

(a) to cover the costs, including overhead and administrative costs, of providing benefits, items, or services to the Homesite(s) or occupants thereof upon request of the Owner pursuant to a menu of special services which the Board may from time to time authorize to be offered to Owners and occupants (which might include, without limitation, janitorial service, pest control, etc.), which assessments may be levied in advance of the provision of the requested benefit, item or service as a deposit against charges to be incurred by the Owner; and

(b) to cover costs incurred in bringing the Homesite (s) into compliance with the terms of the Governing Documents, or costs incurred as a consequence of the conduct of the Owner or occupants of the Homesite, their agents, contractors, employees, licensees, invitees, or guests.

In addition, fines levied by the Association pursuant to Section 5.3 shall constitute Specific Assessments.

9.7 Lien for Assessments. The Association shall have a lien against each Homesite and other property subject to assessment to secure payment of assessments and other charges, as well as interest at a rate to be set by the Board (subject to the maximum interest rate limitations of Tennessee law), late charges in such amount as the Board may establish (subject to the limitations of Tennessee law), costs of collection and reasonable attorneys fees. Such lien shall be superior to all other liens, except (a) the liens of all taxes, bonds, assessments, and other levies which by law would be superior, and (b) the lien or charge of any first Mortgage of record (meaning any recorded Mortgage with first priority over other Mortgages) made in good faith and for value. Such lien may be enforced by suit, judgment, and judicial or nonjudicial foreclosure.

Declarant or the Association may bid for the Homesite or other property at the foreclosure sale and acquire, hold, lease, mortgage, and convey the Homesite or other property. While a Homesite or other property is owned by the Association following foreclosure: (a) no right to vote shall be exercised on its behalf; (b) no assessment shall be levied on it; and (c) each other Homesite and property subject to assessment shall be charged, in addition to its usual assessment, its pro rata share of the assessment allocated to the Homesite or other property owned by the Association. The Association may sue for unpaid assessments and other charges authorized hereunder without foreclosing or waiving the lien securing the same.

The sale or transfer of any Homesite or other property subject to assessment shall not affect the assessment lien or relieve such Homesite or other property from the lien for any subsequent assessments. However, the sale or transfer of any Homesite or other property subject to assessment pursuant to foreclosure of the first Mortgage shall extinguish the lien as to any installments of such assessments due prior to such sale or transfer. A Mortgagee or other purchaser of a Homesite or other property subject to assessment who obtains title pursuant to foreclosure of the Mortgage shall not be personally liable for assessments on such Homesite or other property due prior to such acquisition of title. Such unpaid assessments shall be deemed to be Common Expenses collectible from Owners of all Homesites and other property subject to assessment under Section 9.2, including such acquirer, its successors and assigns.

All other Persons acquiring liens or encumbrances on any Homesite or other property subject to assessment after this Declaration has been recorded shall be deemed to consent that such liens or encumbrances shall be inferior to future liens for assessments, as provided herein, whether or not prior consent is specifically set forth in the instruments creating such liens or encumbrances.

9.8 Date of Commencement of Assessments. The obligation to pay assessments shall commence as to each Homesite on the date which the Homesite is conveyed to a Person other than a Builder or Declarant. The first annual General Assessment, if any, levied on each Homesite shall be adjusted according to the number of days remaining in the fiscal year at the time assessments commence on the Homesite.

9.9 Failure to Assess. Failure of the Board to establish assessment amounts or rates or to deliver or mail each Owner or other person subject to assessment an assessment notice shall not be deemed a waiver, modification, or a release of any Owner and other person subject to assessment from the obligation to pay assessments. In such event, each Owner shall continue to pay General Assessments on the same basis as during the last year for which an assessment was made, if any, until a new assessment is levied, at which time the Association may retroactively assess any shortfalls in collections.

9.10 Exempt Property. In addition to the exemptions from assessments provided in Section 9.2, the following property shall be exempt from payment of assessments:

(a) All Common Property and such portions of the property owned by Declarant as are included in the Area of Common Responsibility pursuant to Section 3.5; and

(b) Any property dedicated or otherwise conveyed to and accepted by any governmental authority or public utility.

9.11 Capitalization of Association; Transfer Fees. Upon acquisition of record title to a Homesite by the first Owner thereof other than Declarant or a Builder or upon occupancy of a Homesite by a Person other than a Builder or Declarant, a contribution shall be made by the purchaser or occupant to the working capital of the Association in an amount to be determined by the Board of Directors, but in no event less than one-sixth (1/6th) of the annual General Assessment per Homesite for that year, and no more than the full annual General Assessment per Homesite for that year. Referred to as the "Working Capital Contribution," this amount shall be in addition to, not in lieu of, the annual General Assessment and shall not be considered an advance payment of such assessment. This amount shall be collected and disbursed to the Association at closing of the purchase and sale of the Homesite to the first Owner, or if the obligation to make the capital contribution arises by virtue of occupancy of a Homesite by a Person other than a Builder or Declarant, the Working Capital Contribution shall be paid immediately upon demand by the Association. Working Capital Contributions shall be used by the Association in covering operating expenses and other expenses incurred by the Association pursuant to the Governing Documents.

In order to compensate the Association or its agents for work associated with the conveyance of title to Homesites within Three Rivers, the Association may charge the transferors of such

Homesites a reasonable fee in an amount established by the Association (a "Transfer Fee"). Transfer Fees shall be considered in the nature of assessments, shall constitute a lien on the transferred Homesite and may be collected in the same manner provided for the collection of assessments in this Declaration. The Declarant shall be exempt from Transfer Fees

9.12 Contributions by Declarant.

(a) In accordance with subsection 9.2 above, Declarant may support the Association by funding operating deficits during the Control Period. At the sole election of Declarant, Declarant may recoup from the Association all such payments, which amounts may be paid from the operating account of the Association, or from the Working Capital Contributions collected at the sale of Homesites, but not from capital reserves. Whether or not Declarant recoups any other deficit amounts, it is not the intention of Declarant to forfeit refundable reserves or deposits paid by Declarant, nor to pay for deficits created by the nonpayment of assessments by an Owner or Owners.

It is also not the intention of Declarant to pay for expenses which are otherwise covered in the annual budget of the Association, but which, due to the requirement of an advance payment, create temporary or seasonal deficits. Accordingly, Declarant shall be reimbursed for all amounts paid by Declarant in the funding of deficits caused by the nonpayment of assessments by an Owner or Owners which, if not sooner paid, shall be paid to Declarant at the time the unpaid assessment is collected. In addition, if not sooner paid, Declarant shall be reimbursed for any refundable deposit upon the Association's receipt of the same.

(b) Amounts paid by Declarant to fund operating deficits shall be collectible by Declarant at any time from the Working Capital Contributions or from excess funds not designated for capital reserves. Declarant shall have the right to pursue the collection of any unpaid assessments on behalf of the Association, as well as the right to act on behalf of the Association (if necessary) in obtaining refunds of all deposits paid for by Declarant. The Board of Directors, specifically including members of the Board appointed by Declarant, shall be authorized to execute a promissory note or notes on behalf of the Association to further evidence the obligations of the Association established herein. The failure to execute such a note shall in no way diminish the obligations created hereby.

(c) In no event shall the Association's obligation to reimburse Declarant as set forth in this Section 9.12 relieve Declarant of the obligation to pay assessments for Homesites which are occupied as a residence in accordance with Section 9.2 above; however, Declarant may set off amounts due as assessments against amounts owed Declarant hereunder.

(d) This Section 9.12 may only be amended with the prior written consent of Declarant. Each Owner, by acceptance of a deed to a Homesite in the Property, and the Association, shall be deemed to have approved of the reimbursements to Declarant required by this Section 9.12.

ARTICLE 10: ARCHITECTURAL STANDARDS

10.1 General. No exterior structure or improvement, as described in Section 10.4, shall be placed, erected, installed or made upon any Homesite or adjacent to any Homesite where the purpose of the structure is to service such Homesite except in compliance with this Article, and with the prior

written approval of the ARB under Section 10.2, unless exempted from the application and approval requirements pursuant this Section.

Except as noted herein, this Article shall not apply to the activities of Declarant, nor to improvements to the Common Property by or on behalf of the Association. This Article may not be amended during the Development Period without Declarant's written consent.

The following provisions shall apply to the homes constructed in the Development:

10.2 Architectural Review. Responsibility for administration of the Architectural Standards and review of all applications for construction and modifications under this Article shall be handled by the ARB, the members of which need not be Members of the Association or representatives of

Members, and may, but need not, include architects, landscape architects, engineers or similar professionals, whose compensation, if any, shall be established from time to time by the ARB. The ARB may establish and charge reasonable fees for review of applications hereunder and may require such fees to be paid in full prior to review of any application. Such fees may include the reasonable costs incurred in having any application reviewed by architects, engineers or other professionals.

The ARB shall consist of one (1) to five (5) persons and shall have exclusive jurisdiction over all construction on any portion of the Properties. Until one hundred percent (100%) of the Properties have been developed and conveyed to Owners other than Builders and Declarant and initial construction on each Homesite has been completed in accordance with the Architectural Standards, Declarant retains the right to appoint all members of the ARB who shall serve at Declarant's discretion. There shall be no surrender of this right prior to that time except in a written instrument in recordable form executed by Declarant. Upon the expiration or surrender of such right, the Board shall appoint the members of the ARB, who shall thereafter serve and may be removed in the Board's discretion.

10.3 Guidelines and Procedures.

(a) Declarant may, but shall not be obligated to, prepare Architectural Standards for the Properties. The Architectural Standards may contain general provisions applicable to all of the Properties, as well as specific provisions which vary according to land use and from one (1) portion of the Properties to another depending upon the location, unique characteristics, and intended use. The Architectural Standards, if promulgated and adopted, are intended to provide guidance to Owners and Builders regarding matters of particular concern to the ARB in considering applications hereunder, but shall not be the exclusive basis for decisions of the ARB, and compliance with the Architectural Standards does not guarantee approval of any application.

Architectural Standards, if promulgated, shall be adopted by the ARB, which shall have sole and full authority to amend them. Any amendments to the Architectural Standards shall be prospective only and shall not apply to require modifications to or removal of structures previously approved once the approved construction or modification has commenced. There shall be no limitation on the scope of amendments to the Architectural Standards; the ARB is expressly authorized to amend the Architectural Standards to remove requirements previously imposed or otherwise to make the Architectural Standards less restrictive. The ARB shall make the Architectural Standards available to Owners and Builders who seek to engage in development or construction within the Properties.

(b) Plans and specifications showing the nature, kind, shape, color, size, materials, and location of all proposed structures and improvements shall be submitted to the ARB for review and approval (or disapproval). In addition, information concerning septic tank drainage fields and placement (if applicable), irrigation systems, drainage, lighting, landscaping and other features of proposed construction shall be submitted as applicable and as required by the Architectural Standards. In reviewing each submission, the ARB may consider the quality of workmanship and design, harmony of external design with existing structures, and location in relation to surrounding structures, topography, and finish grade elevation, among other considerations. Decisions may be based solely on aesthetic considerations. Each Owner acknowledges that opinions on aesthetic

matters are subjective and may vary over time.

In the event that the ARB fails to approve or to disapprove any application within thirty (30) Days after submission of all information and materials reasonably requested, the application shall be deemed approved. However, no approval, whether expressly granted or deemed granted pursuant to the foregoing, shall be inconsistent with the Architectural Standards unless a variance has been granted in writing by the ARB pursuant to Section 10.7.

Notwithstanding the above, the ARB by resolution may exempt certain activities from the application and approval requirements of this Article, provided such activities are undertaken in strict compliance with the requirements of such resolution.

Any Owner may remodel, paint or redecorate the interior of structures on his or her Homesite without approval. However, modifications to the interior of screened porches, patios, and similar portions of a Homesite visible from outside the structures on the Homesite shall be subject to approval. No approval shall be required to repaint the exterior of a structure in accordance with the originally approved color scheme or to rebuild in accordance with originally approved plans and specifications.

10.4 Specific Restrictions.

(a) Exterior structures and improvements requiring prior approval shall include, but shall not be limited to, staking, clearing, excavation, grading and other site work; initial construction of any dwelling or accessory building; exterior alteration of existing improvements; installation or replacement of mailboxes; basketball goals; swing sets and similar sports and play equipment; clotheslines; garbage cans; wood piles; swimming pools; gazebos or playhouses; window air-conditioning units or fans; hot tubs; wells; solar panels; antennas; satellite dishes or any other apparatus for the transmission or reception of television, radio, satellite, or other signals of any kind; hedges, walls, dog runs, animal pens, or fences of any kind, including invisible fences; artificial vegetation or sculpture; and planting or removal of landscaping materials.

(b) In addition to the foregoing activities requiring prior approval, the following items are strictly regulated, and the ARB shall have the right, in its sole discretion, to prohibit or restrict these items within the Properties. The ARB may, but is not required to, adopt specific guidelines as part of the Architectural Standards or rules and regulations which address the following items.

(i) No sign or emblem of any kind may be kept or placed upon any Homesite, or mounted, painted or attached to any dwelling, fence or other improvement located on a Homesite so as to be visible from public view or mounted on any vehicle or trailer parked or driven in the Property or carried by any person or by any other means displayed within the Property except the following:

(1) An Owner may display an address sign or marker in the form and style first installed by Declarant or Builder of the Homesite, or in such other form or style approved by the

ARB.

(2) Signs or billboards may be erected by Declarant or any Builder.

(3) Political signs maybe erected upon a Homesite by the Owner of such Homesite advocating the election of one or more political candidates or the sponsorship of a political party, issue or proposal provided that such signs shall not be erected more than thirty (30) days in advance of the election to which they pertain and are removed within fifteen (15) days after the election.

(4) Notwithstanding the foregoing, Owners erecting or displaying signs permitted by this Section shall comply with all local and state laws, ordinances and regulations governing such signs, including any requirements for permits. This paragraph shall not be deemed to permit any signs except those specifically enumerated in paragraphs (a) through (d) above. No sign of any kind shall be erected by an Owner or occupant without the prior written consent of the ARB, except (1) such signs as may be required by legal proceedings; and (2) not more than one (1) professional security sign of such size deemed reasonable by the ARB in its sole discretion. Unless in compliance with this Section, no signs shall be posted or erected by any Owner or occupant within any portion of the Properties, including the Common Property, any Homesite, any structure or dwelling located on the Common Property or any Homesite (if such sign would be visible from the exterior of such structure or dwelling as determined in the ARB's sole discretion).

Declarant and the ARB reserve the right to prohibit signs and to restrict the size, content, color, lettering, design and placement of any approved signs. All signs must be professionally prepared. This provision shall not apply to entry, directional, or other signs installed by Declarant or its duly authorized agent as may be necessary or convenient for the marketing and development of the Properties.

(vii) In general, exterior antennas, satellite dishes and other apparatus for the transmission or reception of television, radio, satellite or other signals, are considered unsightly. Accordingly, all exterior antennas and other apparatus for the transmission of radio signals are prohibited. Antennas, satellite dishes or any other apparatus for the transmission or reception of television, satellite, signals shall be installed in a manner that is the least destructive to the exterior of the home, shall adhere to all safety restrictions, and the installation shall be neat in appearance. To the extent permitted by federal law, specific guidelines, restrictions and preferences for the installation of antennas and satellite dishes intended for the reception of television and satellite signals may be adopted by the ARB. Wiring must be secured appropriately and not permitted to create an unsightly or dangerous condition. Any installation of such devices and/or other apparatus on the exterior any Homesite which causes the Association additional cost regarding maintenance and/or repair to the exterior of the home shall be assessed to the Owner as a Specific Assessment. The location and size of antennas, satellite dishes and other apparatus for the transmission or reception of television, satellite or signals shall be in accordance with all federal, state and local laws; however, such devices should be located at the rear of the home or in a location that will not detract from the community's appearance if adequate reception can be obtained.

(viii) Flag poles are prohibited unless pre-approved by the ARB.

10.5 Construction Period. After commencement of construction, each Owner shall diligently continue construction to complete such construction in a timely manner. The initial construction of all structures must be completed within one (1) year after commencement of construction, unless extended by the ARB in its sole discretion. All other construction shall be completed within the time limits established by the ARB at the time the project is approved by the ARB.

For the purposes of this Section, commencement of construction shall mean that (a) all plans for such construction have been approved by the ARB; (b) a building permit has been issued for the Homesite by the appropriate jurisdiction; and (c) construction of a structure has physically commenced beyond site preparation. Completion of a structure shall mean that a certificate of occupancy has been issued by the appropriate jurisdiction for the Homesite .

Sidewalks parallel with Cason Lane shall be 5' in width, all other sidewalks paralleling a public street shall be 4' in width. Each street sidewalk shall be constructed parallel with the rear edge of the street curb, allowing for a 2' greenway between said rear curb edge and the front edge of the sidewalk and shall extend for the width of the lot, driveway entrance excluded. The second sidewalk shall be constructed so as to commence at the front door of the dwelling house and extend so as to intersect the sidewalk running parallel with the street. Each sidewalk shall be constructed of a concrete type and to specifications as required by the Local Governing Authority.

No dwelling house shall become occupied for residency until both sidewalks are complete and approved by the said Local Governing Authority.

10.7 No Waiver of Future Approvals. Approval of proposals, plans and specifications, or drawings for any work done or proposed, or in connection with any other matter requiring approval, shall not be deemed to constitute a waiver of the right to withhold approval as to any similar proposals, plans and specifications, drawings, or other matters subsequently or additionally submitted for approval.

10.8 Variance. The ARB may authorize variances from compliance with any of its guidelines and procedures when circumstances such as topography, natural obstructions, hardship, or aesthetic or environmental considerations require, but only in accordance with duly adopted rules and regulations. Such variances may only be granted, however, when unique circumstances dictate and no variance shall (a) be effective unless in writing; (b) be contrary to this Declaration; or (c) prevent the ARB from denying a variance in other circumstances. For purposes of this Section, the inability to obtain approval of any governmental agency, the issuance of any permit, or the terms of any financing shall not be considered a hardship warranting a variance.

10.9 Limitation of Liability. The standards and procedures established pursuant to this Article are intended to provide a mechanism for maintaining and enhancing the overall aesthetics of the Properties only, and shall not create any duty to any Person. Review and approval of any application pursuant to this Article is made on the basis of aesthetic considerations only, and neither Declarant, the Association, the Board, nor the ARB shall bear any responsibility for ensuring the structural integrity or soundness of approved construction or modifications, the adequacy of soils or drainage, nor for ensuring compliance with building codes and other governmental requirements, nor for ensuring that all dwellings are of comparable quality, value or size, of similar design, or aesthetically pleasing or otherwise acceptable to neighboring property owners. Neither Declarant, the Association, the Board, the ARB or any committee, or member of any of the foregoing shall be held liable for any injury, damages, or loss arising out of the manner or quality of approved construction or modifications to any Homesite. In all matters, the committees and their members shall be defended and indemnified by the Association as provided in Section 5.5.

10.10 Enforcement. Declarant, any member of the ARB or the Board, or the representatives of each shall have the right, during reasonable hours and after reasonable notice, to enter upon any Homesite to inspect for the purpose of ascertaining whether any structure or improvement is in violation of this Article. Any structure, improvement or landscaping placed or made in violation of this Article shall be deemed to be nonconforming. Upon written request from the ARB, Owners shall, at their own cost and expense, remove such structure or improvement and restore the property to substantially the same condition as existed prior to the nonconforming work. Should an Owner fail to remove and restore the property as required, after compliance with any procedures established by the Governing Documents, any authorized agent of Declarant, the ARB, or the Board shall have the right to enter the property, remove the violation, and restore the property to substantially the same condition as previously existed. Entry for such purposes and in compliance with this Section shall not constitute a trespass. In addition, the Board may enforce the decisions of Declarant and the ARB by any means of enforcement described in Section 5.3. All costs, together with the interest at the maximum rate then allowed by law, may be assessed against the benefited Homesite and

collected as a Specific Assessment.

Unless otherwise specified in writing by the committee granting approval, all approvals granted hereunder shall be deemed conditioned upon completion of all elements of the approved work and all work previously approved with respect to the same Homesite, unless approval to modify any application has been obtained. If, after commencement, any Person fails to diligently pursue to completion all approved work, the Association shall be authorized, after notice to the Owner of the Homesite and an opportunity to be heard in accordance with the Bylaws, to enter upon the Homesite and remove or complete any incomplete work and to assess all costs incurred against the Homesite and the Owner thereof as a Specific Assessment.

Neither the ARB or any member of the foregoing nor the Association, Declarant, or their members, officers or directors shall be held liable to any Person for exercising the rights granted by this Article. Any contractor, subcontractor, agent, employee, or other invitee of an Owner who fails to comply with the terms and provisions of this Article or the Design Guidelines may be excluded by the ARB from the Properties, subject to the notice and hearing procedures contained in the Bylaws.

In addition to the foregoing, the Association shall have the authority and standing to pursue all legal and equitable remedies available to enforce the provisions of this Article and the decisions of the ARB.

ARTICLE 11: USE RESTRICTIONS

11.1 General. This Article sets out certain use restrictions which must be complied with by all Owners and occupants of any Homesite. The Properties shall be used only for residential, recreational, and related purposes (which may include, without limitation, model homes, sales offices for Builders, an information center and/or a sales office for any real estate broker retained by Declarant to assist in the sale of property described on Exhibit "A," offices for any property manager retained by the Association, business offices for Declarant or the Association or related parking facilities) consistent with this Declaration and any Supplemental Declaration.

11.2 Rules and Regulations. In addition to the use restrictions set forth in this Article, the Board may, from time to time, without consent of the Members, promulgate, modify, or delete rules and regulations applicable to the Properties. Such rules shall be distributed to all Owners and occupants prior to the date that they are to become effective and shall thereafter be binding upon all Owners and occupants until and unless overruled, canceled, or modified in a regular or special meeting by Members holding a Majority of the votes in the Association, and, during the Development Period, the written consent of Declarant, and where applicable, any predecessor Declarant.

11.3 Occupants Bound. All provisions of the Declaration, Bylaws, and of any rules and regulations, use restrictions or Architectural Standards governing the conduct of Owners and establishing sanctions against Owners shall also apply to all occupants even though occupants are not specifically mentioned.

11.4 Leasing. Homesites may be leased for residential purposes only. All leases shall be for a

minimum term of six (6) months and shall require, without limitation, that the tenant acknowledge receipt of a copy of the Declaration, Bylaws, use restrictions, and rules and regulations of the Association. The lease shall also obligate the tenant to comply with the foregoing. The Board may require notice of any lease together with such additional information deemed necessary by the Board.

11.5 Residential Use. Homesites may be used only for residential purposes of a single family and for ancillary business or home office uses. A business or home office use shall be considered ancillary so long as: (a) the existence or operation of the activity is not apparent or detectable by sight, sound, or smell from outside the Homesite; (b) the activity conforms to all zoning requirements for the Properties; (c) the activity does not involve regular visitation of the Homesite by clients, customers, suppliers, or other invitees or door-to-door solicitation of residents of the Properties; (d) the activity does not increase traffic or include frequent deliveries within the Properties; and (e) the activity is consistent with the residential character of the Properties and does not constitute a nuisance, or a hazardous or offensive use, or threaten the security or safety of other residents of the Properties, as may be determined in the sole discretion of the Board.

No other business, trade, or similar activity shall be conducted upon a Homesite without the prior written consent of the Board. The terms "business" and "trade," as used in this provision, shall be construed to have their ordinary, generally accepted meanings and shall include, without limitation, any occupation, work, or activity undertaken on an ongoing basis which involves the provision of goods or services to persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether: (a) such activity is engaged in full or part-time, (b) such activity is intended to or does generate a profit, or (c) a license is required.

The leasing of a Homesite shall not be considered a business or trade within the meaning of this Section. This Section shall not apply to any activity conducted by Declarant or a Builder approved by Declarant with respect to its development and sale of the Properties or its use of any Homesites which it owns within the Properties, including the operation of a timeshare or similar program.

11.6 Occupancy of Unfinished Homesites. No dwelling erected upon any Homesite shall be occupied in any manner before commencement of construction or while in the course of construction, nor at any time prior to the dwelling being fully completed.

11.7 Vehicles.

(a) Automobiles and non-commercial trucks and vans shall be parked only in the garages or in the driveways, if any, serving the Homesites unless otherwise approved by the ARB; provided however, Declarant and/or the Association may designate certain on-street parking areas for visitors or guests subject to reasonable rules. No automobile or non-commercial truck or van may be left upon any portion of the Properties, except in a garage, if it is unlicensed or if it is in a condition such that it is incapable of being operated upon the public highways. Such vehicle shall be considered a nuisance and may be removed from the Properties. No motorized vehicles shall be permitted on pathways or unpaved Common Property except for public safety vehicles authorized by the Board.

(b) Recreational vehicles shall be parked only in the garages, if any, serving the Homesites or, with the prior written approval of the ARB, other hard-surfaced areas which are not visible from the street; provided however, guests of an Owner or occupant may park a recreational vehicle on the driveway serving such Owner's or occupant's Homesite for a period not to exceed seven (7) Days each calendar year. "Visibility" shall be determined by the ARB in its sole discretion. The term "recreational vehicles," as used herein, shall include, without limitation, motor homes, mobile homes, boats, "jet skis" or other watercraft, trailers, other towed vehicles, motorcycles, minibikes, scooters, go-carts, golf carts, campers, buses, commercial trucks and commercial vans. Any recreational vehicle parked or stored in violation of this provision in excess of seven (7) Days shall be considered a nuisance and maybe removed from the Properties. Any Owner whose vehicle (or a vehicle owned by said Owner's family, guest, agent, employee or business invitee) is removed from the Properties pursuant to this Section 11.7 or Section 11. 8 below, shall be responsible for all expenses associated with removal of the vehicle, which expenses shall be charged to the Owner as a Specific Assessment. Declarant and/or the Association may designate certain parking areas within the Properties for recreational vehicles subject to reasonable rules and fees, if any.

(c) Service and delivery vehicles may be parked in the Properties during daylight hours for such periods of time as are reasonably necessary to provide service or to make a delivery within the Properties.

(d) All vehicles shall be subject to such reasonable rules and regulations as the Board of Directors may adopt.

Vehicles shall be subject to such reasonable rules and regulations as the Board may adopt. Declarant and/or the Association may designate certain parking areas for visitors or guests. Service and delivery vehicles may be parked in the Properties during daylight hours for such periods of time as are reasonably necessary to provide service or to make a delivery to a Homesite or to the Common Property. Any vehicle parked in violation of this Section or parking rules promulgated by the Board may be towed in accordance with the Governing Documents. The provisions of this Section shall not apply to Declarant or to any Builder in the process of constructing approved improvements.

If any vehicle is parked on any portion of the Development in violation of this Section or in violation of the Association's rules and regulations, the Board or agent of the Association may place a notice on the vehicle specifying the nature of the violation and stating that after twenty-four (24) hours the vehicle may be towed. The notice shall include the name and telephone number of the person or entity that will do the towing and the name and telephone number of a person to contact regarding the alleged violation. If twenty-four (24) hours after such notice is placed on the vehicle the violation continues or thereafter occurs again within six (6) months of such notice, the Board or agent of the Association may have the vehicle towed in accordance with the notice, without further notice to the Owner or user of the vehicle.

If a vehicle is parked in a fire lane, is blocking another vehicle, is obstructing the flow of traffic, is parked on any grassy area or otherwise creates a hazardous condition, no notice shall be

required and the Board or agent of the Association may have the vehicle towed immediately. If a vehicle is towed in accordance with this subparagraph, neither the Association nor any officer or agent of the Association shall be liable to any person for any claim of damage as a result of the towing activity. Notwithstanding anything to the contrary herein, the Board may elect to impose fines or use other available sanctions, rather than exercise its authority to tow.

11.9 Use of Common Property. There shall be no obstruction of the Common Property, nor shall anything be kept, parked or stored on any part of the Common Property without the prior written consent of the Association, except as specifically provided herein.

With the prior written approval of the Board of Directors, and subject to any restrictions imposed by the Board, an Owner or Owners may reserve portions of the Common Property for use for a period of time as set by the Board. Any such Owner or Owners who reserve a portion of the Common Property as provided herein shall assume, on behalf of himself/herself/themselves and his/her/their guests, occupants and family, all risks associated with the use of the Common Property and all liability for any damage or injury to any person or thing as a result of such use. The Association shall not be liable for any damage or injury resulting from such use unless such damage or injury is caused solely by the willful acts or gross negligence of the Association, its agents or employees.

11.10 Animals and Pets. No animals, livestock, or poultry of any kind maybe raised, bred, kept, or permitted on any Homesite, with the exception of dogs, cats, or other usual and common household pets in reasonable number, as determined by the Board. No animals shall be kept, bred or maintained for commercial purposes without prior written Board approval. All pets shall be reasonably controlled by the owner whenever outside a Homesite, shall be kept in such a manner as to not become a nuisance by barking or other acts, and shall not be tethered. The owners of the pet shall be responsible for all of the pet's actions. If, in the sole opinion of the Board, any animal becomes dangerous or an annoyance or nuisance in the Properties or to nearby property or destructive of wildlife, such animal shall be removed from the Properties. By way of explanation and not limitation, this Section may be enforced by exercising self-help rights provided in Section 5.3.

11.11 Nuisance. It shall be the responsibility of each Owner and occupant to prevent the development of any unclean, unhealthy, unsightly, or unkempt condition on his or her property. No property within the Properties shall be used, in whole or in part, for the storage of any property or thing that will cause such Homesite to appear to be in an unclean or untidy condition or that will be obnoxious to the eye; nor shall any substance, thing, or material be kept that will emit foul or obnoxious odors or that will cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort, or serenity of the occupants of surrounding property.

Without limiting the generality of the foregoing, no speaker, horn, whistle, siren, bell, amplifier or other sound device, except such devices as may be used exclusively for security purposes or as approved

by the ARB, shall be located, installed or maintained upon the exterior of any Homesite unless required by law. Any siren or device for security purposes shall contain a device or system which causes it to shut off automatically.

The development, construction and sales activities conducted or permitted by Declarant shall not be considered a nuisance or a disturbance of the quiet enjoyment of any Owner or occupant.

All rubbish, trash, and garbage shall be regularly removed and shall not be allowed to accumulate. There shall be no dumping or burning of grass clippings, leaves or other debris; rubbish, trash or garbage; petroleum products, fertilizers, or other potentially hazardous or toxic substances in any drainage ditch, stream, pond, or lake within the Properties, except that fertilizers may be applied to landscaping on Homesites provided care is taken to minimize runoff.

Storage of construction materials on the Homesite shall be subject to such conditions, rules, and regulations as may be set forth in the Architectural Standards. Each Owner shall keep roadways, easements, swales, and other portions of the Properties clear of silt, construction materials and trash from its activities at all times. Trash and debris during initial construction of a residential dwelling shall be contained in standard size dumpsters or other appropriate receptacles and removed regularly from Homesites and shall not be buried or covered on the Homesite. Any Homesite on which construction is in progress may be policed prior to each weekend, and during the weekend all materials shall be neatly stacked or placed and any trash or waste materials shall be removed. In addition, Owners shall remove trash and debris from the Homesite upon reasonable notice by Declarant in preparation for special events.

There shall be no storage of gasoline, propane, heating or other fuels, except for a reasonable amount of fuel that may be stored in containers appropriate for such purpose on each Homesite for emergency purposes and operation of lawn mowers and similar tools or equipment and except as may be approved in writing by the ARB. The Association shall be permitted to store fuel for operation of maintenance vehicles, generators and similar equipment.

11.14 Hunting and Guns. Hunting or the discharge of any weapon or firearm for any reason is prohibited on the Properties. The term "firearm" includes without limitation "B-B" gun, pellet gun, and firearms of all types. The Board may impose fines and exercise other enforcement remedies as set forth in this Declaration, but shall have no obligation to exercise self-help to prevent or stop any such discharge.

11.15 Subdivision of Homesite. No Homesite shall be subdivided or its boundary lines changed after a subdivision plat including such Homesite has been approved and filed in the Public Records without Declarant's prior written consent during the Development Period and the prior written consent of the ARB thereafter. In addition, no home shall be subdivided or partitioned to create housing for more than a single family. Declarant, however, hereby expressly reserves the right to replat any Homesite or Homesites which it owns. Any such division, boundary line change, or

Neither the Association nor Declarant bears any responsibility for remedial actions to any Homesite.

(d) Use of any areas designated as "drainage easement areas" on any recorded subdivision plat of the Properties, shall be subject to strict prohibitions against encroachment of structures into, over or across the drainage easement areas, and the right of Declarant to enter upon and maintain the drainage easement areas. Such maintenance activities may include disturbance of landscaping pursuant to the terms contained in any declaration of easements, notwithstanding approval of the landscaping as set forth in Article 10.

(e) No Person shall alter the grading of any Homesite without prior approval pursuant to Article 10 of this Declaration. Declarant hereby reserves for itself and the Association a perpetual easement across the Properties for the purpose of altering drainage and water flow. The exercise of such an easement shall not materially diminish the value of or unreasonably interfere with the use of any Homesite without the Owner's consent.

(f) All Persons shall comply with any and all applicable city and county erosion control ordinances in construction of improvements on any Homesite and in conducting any activity within non-disturbance buffer zones.

11.18 Irrigation. Owners shall not install irrigation systems which draw upon ground or surface waters nor from any lakes or ponds within the Properties. However, Declarant and the Association shall have the right to draw water from such sources for the purpose of irrigating the

Area of Common Responsibility.

11.19 Streams. No streams which run across any Homesite may be dammed, or the water therefrom impounded, diverted, or used for any purpose without the prior written consent of the Board, except that Declarant shall have such rights as provided in Article 14. Land-disturbing activities shall not be conducted within 25 feet of the banks of any stream within the Development, as measured from the point where vegetation has been wrested by normal stream flow, except with prior written approval under Article 10 hereof and compliance with Tennessee law and storm water regulations of the Local Governing Authority.

ARTICLE 12: EASEMENTS

12.1 Easements of Encroachment. Declarant reserves, creates, establishes and declares non-exclusive, perpetual, easements of encroachment, and for maintenance and use of any permitted encroachment, between adjacent Homesites and any adjacent Common Property, due to the unintentional placement or settling or shifting of the improvements constructed, reconstructed, or altered thereon (in accordance with the terms of these restrictions) to a distance of not more than three (3) feet, as measured from any point on the common boundary along a line perpendicular to such boundary. However, in no event shall an easement for encroachment exist if such encroachment occurred due to willful and knowing conduct on the part of, or with the knowledge and consent of, the Person claiming the benefit of such easement.

12.2 Easements Reserved for Declarant. Declarant hereby reserves, creates, establishes and declares the following perpetual, appurtenant easements for itself, its designees, (which may include, without limitation, any governmental or quasi-governmental entity and any utility company), its agents, successors and assigns:

(a) During the Development Period upon, across, over, and under all of the Properties, including all buildings and Homesites, to the extent reasonably necessary for the purpose of installing, constructing, monitoring, replacing, repairing, maintaining, operating and removing: homes and related improvements on adjacent Homesites, cable, digital or similar television systems, master television antenna systems, and other devices for sending or receiving data and/or other electronic signals; security and similar systems; roads, walkways, pathways and trails; lakes, ponds, wetlands, irrigation, and drainage systems; street lights and signage; and all utilities, including, but not limited to, water, sewer, telephone, and electricity, and utility meters; and an easement for access of vehicular and pedestrian traffic over, across, and through the Properties, as necessary, to exercise the easements described in this Section;

(b) Declarant specifically grants to the local water supplier, water meter servicer, sewer service provider, electric company, telephone company, and natural gas supplier the easements set forth herein across the Properties for ingress, egress, installation, reading, replacing, repairing, and maintaining utility lines, meters and boxes, as applicable;

(c) Declarant reserves and declares for itself during the Development Period, and its designees, the non-exclusive right and power to grant such specific easements or change the specific location of all utility and drainage lines within the Properties as may be necessary, in the sole

discretion of Declarant, in connection with the orderly development of the Properties. Declarant reserves unto itself the right, in the exercise of its sole discretion, upon the request of any Person holding, or intending to hold, an interest in the Properties, or at any other time, (i) to release all or any portion of the Properties from the burden, effect, and encumbrance of any of the easements granted or reserved under this Section, or (ii) to define the limits of any such easements;

(d) Easements over the Common Property for the purpose of conducting or allowing its designees to conduct educational, cultural, entertainment, promotional or sporting events, and other activities of general community interest at such locations and times as Declarant, in its sole discretion, deems appropriate. Each Owner, by accepting a deed or other instrument conveying any interest in a Homesite, acknowledges and agrees that the exercise of this easement may result in a temporary increase in traffic, noise, gathering of crowds, and related inconveniences, and each Owner agrees on behalf of itself and the occupants of its Homesite to take no action, legal or otherwise, which would interfere with the exercise of such easement or to recover damages for or as the result of any such activities.

Any damage to a Homesite resulting from the exercise of the easements described in subsections (a) and (b) of this Section shall promptly be repaired by, and at the expense of the Person exercising the easement. The exercise of these easements shall not extend to permitting entry into the structures on any Homesite, nor shall it unreasonably interfere with the use of any Homesite, and except in an emergency, entry onto any Homesite shall be made only after reasonable notice to the Owner or occupant.

12.3 Easements for Drainage Ponds and Drainage Detention Areas. Detention ponds, retention ponds and drainage easements, ("Drainage Facilities") may exist within the Development and shown on recorded subdivision plats. Drainage Facilities are deemed to benefit the entire Development, and are declared to be perpetual and non-exclusive easements for drainage in favor of the Owners and the Association and shall be considered appurtenances to each Homesite, which easements shall include not only the right to use said Drainage Facilities, but the right to use and maintain the entire drainage system and all related facilities connected therewith. No Owner may obstruct or alter the drainage flows after location and installation of the Drainage Facilities without approval in accordance with the provisions of Article 10 hereof. Notwithstanding the fact that the easements created hereby are granted to each Owner and Declarant, if the Drainage Facilities are not maintained by Rutherford County, the Association shall be responsible for maintaining the same in accordance with such standards as may be now or hereafter established by Rutherford County, Tennessee.

12.4 Slope Control, Drainage, and Waterway Maintenance. Declarant reserves, creates, establishes, and declares perpetual non-exclusive easements for itself, the Association, and their respective designees, in, upon, over, across, under and through the Properties, including each Homesite, for the purposes of:

(a) controlling soil erosion, including grading and planting with vegetation any areas of any Homesite which are or may be subject to soil erosion;

(b) drainage of natural or man-made water flow and water areas from any portion of the Properties;

(c) changing, modifying or altering the natural flow of water, water courses or waterways on or adjacent to any Homesite or Common Property;

(d) dredging, enlarging, reducing or maintaining any water areas or waterways within the Properties; however, no Person other than Declarant or predecessor Declarant shall alter the drainage on any Homesite to increase materially the drainage of storm water onto adjacent portions of the Properties without the consent of the Owner(s) of the affected Homesite, the Board, and Declarant during the Development Period; and

(e) installing such pipes, lines, conduits or other equipment as may be necessary for slope control, drainage and waterway maintenance of any portion of the Properties.

12.5 Easements for Zoning Conditions. Declarant reserves, creates, establishes, and declares a permanent and nonexclusive easement in, upon, over, across, under and through the Properties, including the Common Property, for the benefit of Declarant, each Owner and the Association, to fulfill any zoning conditions as the same are set forth upon any recorded subdivision plat of the Properties, and as the same may be hereafter amended.

12.6 Maintenance. Declarant reserves, creates, establishes and declares a permanent and non-exclusive easement for itself, the Association, and their respective designees, for the repair, maintenance and replacement of all structures, improvements and landscaping placed upon the Properties by Declarant and intended to benefit the Development. The foregoing easement is intended to allow Declarant and the Association, as well as their respective designees, to maintain items such as entrance monuments, landscaping, berms, privacy and perimeter fencing, etc. The foregoing easements shall include, without limitation, the right to erect, maintain, repair, replace and re-erect structures, and shall also include the right to plant grass, plants, flowers, shrubs and trees, to tend and garden the same, and to generally landscape the area within said easements to keep them clean, attractive and uniform in appearance. All Owners taking title to any Homesite upon which such an easement lies will take title subject to the easement rights set forth herein. Entrance monuments and other improvements intended to benefit the community and which are constructed within or upon rights-of-way within or bordering the community, shall be maintained by the Association as any other Common Property.

12.7 Party Fence Easement. There shall be reciprocal appurtenant easements in any party fence between each Homesite and adjacent portions of the Common Property or as between adjacent Homesites, to construct, maintain, extend, repair, replace or otherwise work on the party fence provided, however, that such use shall not injure the adjoining property and shall not impair the party fence benefits and support to which the adjoining property is entitled. If it shall become necessary to repair or rebuild the fence or any portion as constructed or extended, the cost of such repairing or rebuilding as to such portions of the fence at the time used by both parties shall be at the expense of both in equal shares and as to any remaining portion shall be wholly at the expense of the party who shall exclusively use that portion.

12.8 Alleyway Easement. Declarant reserves, creates, establishes and declares a permanent and non-exclusive easement in, upon, over, across, under and through all alleyways as depicted on each subdivision plat, said alleyways being explicitly designated as Areas of Common

Responsibility, for the benefit of Declarant, each owner and the association for:

- (a) usage as a surface water drainageway;
- (b) usage as a means of access, ingress/egress, to other properties owned by Declarant, Owners and/or the Association;
- (c) usage as a service corridor.

12.9 Easement for Utilities Maintained by Owners. Declarant hereby establishes for the benefit of each Owner a nonexclusive easement for access to and installation, maintenance, repair, replacement and use of all pipes, wires, cables, conduits, utility lines, flues and ducts serving such Homesite and situated in, on or under any other Homesite or the Common Property. The Board of Directors, and without a vote of the Owners, shall have the right, power and authority to grant permits, licenses, utility easements, and other easements, permits or licenses necessary or desirable for the proper maintenance or operation of the Development under, through, or over the Homesites and/or the Common Property as may be reasonably necessary to or desirable for the ongoing operation of the Development. In the event that any Owner desires access to another Homesite to install, maintain, repair or replace any utility pipe, wire, cable, conduit, utility line, flue or duct, the Owner shall contact the Owner of such other Homesite(s) at least two (2) days in advance of the date that access is needed and attempt to agree on a convenient date and time for access by the Owner and the Owner's contractors. Access in emergency situations shall be granted immediately upon request. Any Owner of a Homesite to which access is needed under this Section shall not unreasonably withhold, condition or delay such access. Rights exercised pursuant to this easement shall be exercised with a minimum of interference to the quiet enjoyment of affected Homesites. Reasonable steps shall be taken to protect such Homesites and the property of the Owners and Occupants thereof, and damage shall be repaired by the Person causing the damage at its sole expense.

12.10 Lateral Support. Each Homesite and the Common Property shall be burdened with an easement for lateral support, and each shall also have the reciprocal right to lateral support which shall be appurtenant to and pass with title to such property.

12.11 Easement for Entry and Enforcement. Declarant reserves, creates, establishes, and declares for itself, the Association, and their respective designees, an easement to enter all portions of the Properties, including any Homesite: (i) for emergency, security, and safety reasons; (ii) to perform maintenance responsibilities as described in Article 6, and elsewhere in this Declaration; and (iii) to make inspections to ensure compliance with the Governing Documents. All costs incurred, including reasonable attorneys fees, may be assessed against the Homesite Owner as a Specific Assessment. Such right may be exercised by any member of the Board, the Association's officers, committee members, agents, employees and managers of the Association, and by all police officers, fire fighters, ambulance personnel, and similar emergency personnel in the performance of their duties. Except in emergencies, entry onto a Homesite shall be only during reasonable hours and after notice to and permission from the Owner. This easement includes the right to enter any Homesite to cure any condition which may increase the possibility of fire, slope erosion, immediate risk of personal injury, or other hazard if an Owner fails or refuses to cure the condition within a

reasonable time after request by the Board, but shall not authorize entry into any dwelling without permission of the Owner, except by emergency personnel acting in their official capacities. Damages to Owner's property caused by the Association shall be repaired by the Association at its expense. Entry under this Section shall not constitute a trespass.

12.12 Easement for Greenbelt Maintenance.

(a) Declarant reserves for itself and its successors, assigns, and designees the nonexclusive right and easement, but not the obligation, to enter upon greenbelts, buffer zones and nondisturbance areas located within the Area of Common Responsibility to remove trash and other debris therefrom and to fulfill maintenance responsibilities as provided in this Declaration. Declarant's rights and easements provided in this Section shall be automatically transferred to the Association at the expiration of the Development Period or such earlier time as Declarant may elect, in its sole discretion, to transfer such rights by a written instrument. Declarant, the Association, and their designees shall have an access easement over and across any of the Properties abutting or containing any portion of a greenbelt, buffer zone or nondisturbance area to the extent reasonably necessary to exercise their rights under this Section.

(b) Encroachment of structures into, over, or across greenbelts, buffer zones and nondisturbance areas shown on any recorded subdivision plat of the Properties is strictly prohibited. Landscaping in these areas is subject to removal in the reasonable discretion of Declarant in the ordinary course of maintenance of these areas. Any landscaping permitted shall be installed in conformance with Article 10 herein. All Persons entitled to exercise these easements shall use reasonable care in, and repair any damage resulting from the intentional exercise of such easements.

(c) Declarant reserves unto itself the right, in the exercise of its sole discretion, upon the request of any Person holding, or intending to hold, an interest in the Properties, or at any other time, (i) to release all or any portion of the Properties from the burden, effect, and encumbrance of any of the easements granted or reserved under this Section, or (ii) to define the limits of any such easements.

12.13 Liability for Use of Easements. No Owner shall have a claim or cause of action against Declarant, its successors or assigns, arising out of the exercise or non-exercise of any easement reserved hereunder or shown on any subdivision plat for the Properties, except in cases of willful or wanton misconduct.

ARTICLE 13: MORTGAGEE PROVISIONS

The following provisions are for the benefit of holders, insurers and guarantors of first Mortgages on Homesites in the Properties. The provisions of this Article apply to both this Declaration and to the Bylaws, notwithstanding any other provisions contained therein.

13.1 Notices of Action. An institutional holder, insurer, or guarantor of a first Mortgage who provides a written request to the Association (such request to state the name and address of such holder, insurer, or guarantor and the street address of the Homesite to which its Mortgage relates, thereby becoming an "Eligible Holder"), will be entitled to timely written notice of:

(a) Any condemnation loss or any casualty loss which affects a material portion of the Properties or which affects any Homesite on which there is a first Mortgage held, insured, or guaranteed by such Eligible Holder;

(b) Any delinquency in the payment of assessments or charges owed by a Homesite subject to the Mortgage of such Eligible Holder, where such delinquency has continued for a period of sixty (60) Days, or any other violation of the Declaration or Bylaws relating to such Homesite or the Owner or Occupant which is not cured within sixty (60) Days;

(c) Any lapse, cancellation, or material modification of any insurance policy maintained by the Association; or

(d) Any proposed action which would require the consent of a specified percentage of Eligible Holders pursuant to Federal Home Loan Mortgage Corporation requirements.

13.2 Right to Records. Upon written request in accordance with Section 13.1, all eligible holders shall:

(a) be entitled to attend and observe all meetings of Owners, but not meetings of the Board;

(b) be furnished with copies of annual financial reports made to the Owners; and

(c) be entitled to inspect the financial books and records of the Association during reasonable business hours.

13.3 No Priority. No provision of this Declaration or the Bylaws gives or shall be construed as giving any Owner or other party priority over any rights of the first Mortgagee of any Homesite in the case of distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Property.

13.4 Notice to Association. Upon request, each Owner shall be obligated to furnish to the Association the name and address of the holder of any Mortgage encumbering such Owner's Homesite .

13.5 Amendment by Board. Should the Department of Veterans Affairs, the Federal Housing Administration, the Federal National Mortgage Association, or the Federal Home Loan Mortgage Corporation subsequently delete any of their respective requirements which may have necessitated the provisions of this Article or make such requirements less stringent, the Board, without approval of the Owners, may cause an amendment to this Article to be recorded to reflect such changes.

13.6 Failure of Mortgagee to Respond. Any Mortgagee who receives a written request from the Board to respond to or consent to any action shall be deemed to have approved such action if the Association does not receive a written response from the Mortgagee within thirty (30) Days of the date of the Association's request, provided such request is delivered to the Mortgagee by

certified or registered mail, return receipt requested.

13.7 Construction of Article 13. Nothing contained in this Article shall be construed to reduce the percentage vote that must otherwise be obtained under the Declaration, Bylaws, or Tennessee law for any of the acts set out in this Article.

ARTICLE 14: DECLARANT'S RIGHTS

14.1 Transfer or Assignment. Any or all of the special rights and obligations of Declarant set forth in the Governing Documents may be transferred or assigned in whole or in part to the Association or to other Persons, provided that the transfer shall not reduce an obligation nor enlarge a right beyond that which Declarant has under this Declaration or the Bylaws. Upon any such transfer, Declarant shall be automatically released from any and all liability arising with respect to such transferred rights and obligations. No such transfer or assignment shall be effective unless it is in a written instrument signed by Declarant and duly recorded in the Public Records.

14.2 Development and Sales. Declarant and Builders authorized by Declarant may maintain and carry on the Properties such activities as, in the sole opinion of Declarant, may be reasonably required, convenient, or incidental to the development of the Properties and/or the construction or sale of Homesites, such as sales activities, tournaments, charitable events, and promotional events, and restrict Members from using the Common Property during such activities. Such activities shall be conducted in a manner to minimize (to the extent reasonably possible) any substantial interference with the Members' use and enjoyment of the Common Property. Declarant and authorized Builders shall have easements over the Properties for access, ingress and conducting such activities.

In addition, Declarant and Builders authorized by Declarant may establish within the Properties, such facilities as, in the sole opinion of Declarant, may be reasonably required, convenient, or incidental to the development of the Properties and/or the construction or sale of Homesites, including, but not limited to, business offices, signs, model units, tents, sales offices, sales centers and related parking facilities. During the Development Period, Owners may be excluded from use of all or a portion of such facilities in Declarant's sole discretion. Declarant and authorized Builders shall have easements over the Properties for access, ingress, and egress and use of such facilities.

Declarant may permit the use of any facilities situated on the Common Property by Persons other than Owners without the payment of any use fees.

14.3 Common Properties. In addition to any real property and easements that may be described elsewhere in this Declaration as Common Property, Declarant may convey, or cause to be conveyed, to the Association such other real and personal property as Declarant, in Declarant's sole discretion, may determine to be necessary or proper for ownership by the Association as Common Property. The Association hereby covenants and agrees to accept all conveyances of Common Property made or caused to be made by Declarant. Notwithstanding any legal presumption to the contrary, the fee title to, and all rights in, any portion of the Properties owned by Declarant and designated as Common Property, (or which is designated by any words which similarly signify such

property is for the use of the Owners in the community) whether by recorded plat of survey or otherwise, or designated for public use, shall be reserved to Declarant until such time as the same shall be conveyed to the Association or to any municipality or other governmental body, agency or authority. Declarant hereby reserves the right, but not the obligation, to be exercised in its sole discretion, to designate the boundaries of all Homesites and Common Property within the Properties as they are developed and platted and to construct improvements thereon. Declarant shall have the right, but not the obligation, to make improvements and changes to all Common Property and to all Homesites owned by Declarant, including, without limitation, (i) installation and maintenance of any improvements in and to the Common Property, (ii) changes in the location of the boundaries of any Homesite owned by Declarant or of the Common Property, (iii) installation and maintenance of any storm drainage system and water, sewer and other utility systems and facilities; and (iv) installation of security and/or refuse facilities. In accordance with the preceding, Declarant reserves the right to record, modify, amend, revise and add to, at any time and from time to time, any recorded plat or supplemental plats of the community, setting forth such information as Declarant may deem necessary with regard to the community, including without limitation, the locations and dimensions of the Homesites, Common Property, Additional Property (if any), roads, utility easements and systems, drainage easements and systems, right-of-way easements, and setback line restrictions. In addition to other reasons, the rights reserved to Declarant herein are for the purpose of allowing the expansion of the Development to include additional land, and to specifically allow the reconfiguration of Homesites and the roads serving the Development and the extension of roads into the Additional Property, if any. Declarant and its employees, agents and designees shall also have a right and easement over and upon all of the Common Property for the purpose of making, constructing and installing such improvements to the Common Property as it deems appropriate in its sole discretion.

14.4 Application of Architectural Standards. The provisions contained in Articles 10 and 11, as well as all other architectural control provisions, including but not limited to building setbacks, contained in this Declaration, the Charter or the Bylaws, shall not apply to Declarant, nor to any predecessor Declarants. In addition, said provisions shall not apply to any Builder who acquires a Homesite from Declarant, any predecessor Declarants, or through other Builders who had acquired the Homesite from said parties for the purpose of constructing a dwelling thereon; provided, however, any such Builder must submit to and have its plans and specifications approved by Declarant, if title to the Homesite passed through Declarant, and provided further, if title to the Homesite passed through a predecessor Declarant, and said predecessor still owns at least one (1) Homesite for sale in the Development, then such plans and specifications must only be approved by said predecessor. This Section 14.4 may only be amended with the prior written consent of Declarant during the Development Period, and with the prior written consent of any predecessor Declarants still owning at least one (1) Homesite for sale.

14.5 Additional Covenants. No Person shall record any declaration of covenants, conditions and restrictions, declaration of condominium, easements, or similar instrument affecting any portion of the Properties without Declarant's review and written consent. Any attempted recordation without such consent shall result in such instrument being void and of no force and effect unless subsequently approved by written consent signed by Declarant and recorded in the Public Records. No such instrument recorded by any Person (other than instruments contemplated by Article 8 and Section 15.2 hereof) may conflict with the Declaration, Bylaws or Charter.

14.6 Right of Declarant to Disapprove Actions. So long as Declarant owns any portion of the Properties, Declarant shall have the right to disapprove any action, policy or program of the Association, the Board and any committee which, in the sole judgment of Declarant, would tend to impair rights of Declarant or Builders under the Governing Documents, or interfere with development of, construction on, or marketing of any portion of the Properties, or diminish the level of services being provided by the Association. This right to disapprove is in addition to, and not in lieu of, any right to approve or disapprove specific actions of the Association, the Board or any committee as may be granted to Declarant in the Governing Documents.

(a) Declarant shall be given written notice of all meetings and proposed actions approved at meetings (or by written consent in lieu of a meeting) of the Association, the Board or any committee. Such notice shall be given by certified mail, return receipt requested, or by personal delivery at the address Declarant has registered with the secretary of the Association, which notice complies with the Bylaws and which notice shall, except in the case of the regular meetings held pursuant to the Bylaws, set forth in reasonable particularity the agenda to be followed at such meeting.

(b) Declarant shall be given the opportunity at any such meeting to join in or to have its representatives or agents join in discussion from the floor of any prospective action, policy, or program which would be subject to the right of disapproval set forth herein. Declarant, its representatives or agents may make its concerns, thoughts, and suggestions known to the Board and/or the members of the subject committee.

(c) No action, policy or program subject to the right of disapproval set forth herein shall become effective or be implemented until and unless the requirements of subsections (a) and (b) above have been met and the time period set forth in subsection (d) below has expired.

(d) Declarant, acting through any officer or director, agent or authorized representative, may exercise its right to disapprove at any time within ten (10) Days following the meeting at which such action was proposed or, in the case of any action taken by written consent in lieu of a meeting, at any time within ten (10) Days following receipt of written notice of the proposed action. No action, policy or program shall be effective or implemented if the Declarant exercises its right to disapprove. This right to disapprove may be used to block proposed actions but shall not include a right to require any action or counteraction on behalf of any committee, or the Board or the Association. Declarant shall not use its right to disapprove to reduce the level of services which the Association is obligated to provide or to prevent capital repairs or any expenditure required to comply with applicable laws and regulations.

14.7 Amendments. Notwithstanding any contrary provision of this Declaration, no amendment to or modification of any use restrictions and rules or Architectural Standards made after termination of the Control Period shall be effective without prior notice to and the written consent of Declarant. This Article may not be amended without the written consent of Declarant. The rights contained in this Article shall terminate upon the earlier of (a) expiration of the Development Period, or (b) upon recording by Declarant of a written statement that all sales activity has ceased.

ARTICLE 15: GENERAL PROVISIONS

15.1 Duration.

(a) Except as otherwise limited by Tennessee law, this Declaration shall have perpetual duration. If Tennessee law limits the period during which covenants may run with the land, then to the extent consistent with such law, this Declaration shall automatically be extended at the expiration of such period for successive periods of twenty (20) years each. Notwithstanding the above, if any of the covenants, conditions, restrictions, or other provisions of this Declaration shall be unlawful, void, or voidable for violation of the rule against perpetuities, then such provisions shall continue only until twenty-one (21) years after the death of the last survivor of the now living descendants of Elizabeth II, Queen of England.

(b) Unless otherwise provided by Tennessee law, this Declaration may be terminated within the first twenty (20) years after the date of recording by an instrument signed by Owners of at least ninety percent (90%) of the total Homesites within the Properties, which instrument is recorded in the Public Records; provided however, regardless of the provisions of Tennessee law, this Declaration may not be terminated during the Development Period without the prior written consent of Declarant. After twenty (20) years from the date of recording, this Declaration may be terminated only by an instrument signed by Owners owning at least fifty-one percent (51 %) of the Homesites and constituting at least fifty-one percent (51 %) of the total number of Owners, and by Declarant, if Declarant owns any portion of the Properties, which instrument complies with the requirements of Tennessee law and is recorded in the Public Records. Nothing in this Section shall be construed to permit termination of any easement created in this Declaration without the consent of the holder of such easement.

15.2 Amendment.

(a) **By Declarant.** Subject to the provisions of Article 13, Declarant may unilaterally amend this Declaration at any time and from time to time if such amendment is necessary (i) to bring any provision into compliance with any applicable governmental statute, rule, regulation, or judicial determination; (ii) to enable any reputable title insurance company to issue title insurance coverage on the Homesites; (iii) to enable any institutional or governmental lender, purchaser, insurer or guarantor of Mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to make, purchase, insure or guarantee Mortgage loans on the Homesites; (iv) to satisfy the requirements of any local, state or federal governmental agency; or, (v) to correct a scrivener's error. However, any such amendment shall not adversely affect the title to any Homesite unless the Owner shall consent in writing. In addition, during the Development Period, Declarant may unilaterally amend this Declaration for any other purpose, provided the amendment has no material adverse effect upon any right of any Owner.

(b) **By the Board.** The Board shall be authorized to amend this Declaration without the consent of the Members (i) for the purpose of conforming this Declaration to any mandatory provisions of Tennessee law and (ii) to correct scriveners' errors and other mistakes of fact, provided that amendments under this provision have no material adverse effect on the rights of the Owners. During the Development Period, any such amendment shall require the written consent of Declarant.

(c) **By Members.** Except as otherwise specifically provided above and elsewhere in this Declaration, this Declaration may be amended only by the affirmative vote or written consent, or any combination thereof, of Members holding seventy-five percent (75%) of the total eligible votes in the Association and, during the Development Period, the written consent of Declarant. In addition, approval requirements set forth in Article 13, if any, shall be met, if applicable.

Notwithstanding the above, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause.

(d) **Validity and Effective Date.** Any amendment to the Declaration shall become effective upon recordation in the Public Records, unless a later effective date is specified in the amendment. Any procedural challenge to an amendment must be made within six (6) months of its recordation or such amendment shall be presumed to have been validly adopted. In no event shall a change of conditions or circumstances operate to amend any provisions of this Declaration. During the Development Period, no amendment may remove, revoke, or modify any right, privilege or exemption of Declarant without the written consent of Declarant, or the assignee of such right, privilege or exemption. In addition, for so long as any predecessor Declarant owns at least one Homesite primarily for sale, no amendment may remove, revoke, or modify any right, privilege or exemption of said predecessor Declarant without the written consent of said predecessor Declarant.

If an Owner consents to any amendment to this Declaration or the Bylaws, it will be conclusively presumed that such Owner has the authority to consent, and no contrary provision in any Mortgage or contract between the Owner and a third party will affect the validity of such amendment.

15.3 Severability. Invalidation of any provision of this Declaration, in whole or in part, or any application of a provision of this Declaration by judgment or court order, shall in no way affect other provisions or applications.

15.4 Dispute Resolution. Any Owner, occupant or other person subject to the provisions of this Declaration must give written notice to the Board requesting a hearing with the Board and attend such hearing to discuss amicable resolution of any dispute before that Owner, occupant or other person files any lawsuit against the Association, the Board, any director, or any agent of the Association. The Owner, occupant or other person shall, in such notice and at the hearing, make a good faith effort to explain the grievance to the Board and to resolve the dispute in an amicable fashion and shall give the Board a reasonable opportunity to address the Owner's, occupant's or other person's grievance before filing suit. Upon receiving a request for a hearing, the Board shall give notice of the date, time and place of the hearing to the person requesting the hearing. The Board shall schedule this hearing for a date no less than seven (7) nor more than twenty-one (21) Days from the date of receipt of the notice of hearing by the person requesting the hearing.

15.5 Litigation. Except as provided below, no judicial or administrative proceeding shall be commenced or prosecuted by the Association unless approved by a vote of Members holding seventy-five percent (75%) of the total Association vote. This Section shall not apply, however, to

(a) actions brought by the Association to enforce the provisions of the Governing Documents (including, without limitation, the foreclosure of liens); (b) the imposition and collection of assessments as provided in Article 9; (c) proceedings involving challenges to ad valorem taxation; (d) counter-claims brought by the Association in proceedings instituted against it or (e) actions brought by the Association against any contractor, vendor, or supplier of goods or services arising out of a contract for services or supplies. This Section shall not be amended unless such amendment is approved by the percentage of votes, and pursuant to the same procedures, necessary to institute proceedings as provided above.

15.6 Non-Merger. Notwithstanding the fact that Declarant is the current owner of the Properties, it is the express intention of Declarant that the easements established in the Declaration for the benefit of the Properties and Owners shall not merge into the fee simple estate of individual lots conveyed by Declarant or its successor, but that the estates of Declarant and individual lot owners shall remain as separate and distinct estates. Any conveyance of all or a portion of the Properties shall be subject to the terms and provisions of this Declaration, regardless of whether the instrument of conveyance refers to this Declaration.

15.7 Grants. The parties hereby declare that this Declaration, and the easements created herein shall be and constitute covenants running with the fee simple estate of the Properties. The grants of easements in this Declaration are independent of any covenants and contractual agreements undertaken by the parties in this Declaration and a breach by either party of any such covenants or contractual agreements shall not cause or result in a forfeiture or reversion of the easements granted in this Declaration.

15.8 Cumulative Effect; Conflict. The provisions of this Declaration shall be cumulative with any additional covenants, restrictions, and declarations, and the Association may, but shall not be required to, enforce such additional covenants, conditions, and provisions; provided however, in the event of a conflict between or among this Declaration and such covenants or restrictions, and/or the provisions of any corporate charter, bylaws, rules and regulations, policies, or practices adopted or carried out pursuant thereto, this Declaration, the Bylaws, Charter, and use restrictions and rules of the Association shall prevail. In the event of a conflict between the Community-Wide Standard, as it may be changed from time to time, and the Declaration, Bylaws or Charter, the Declaration, Bylaws or Charter shall prevail. The foregoing priorities shall apply, but not be limited to, the lien for assessments created in favor of the Association. Nothing in this Section shall preclude any Limited Supplemental Declaration, Supplemental Declaration or other recorded declaration, covenants and restrictions from containing additional restrictions or provisions which are more restrictive than the provisions of this Declaration, and the Association shall have the standing and authority to enforce the same.

15.9 Use of the Term "Three Rivers". No Person shall use the term "Three Rivers" or any derivative in any printed or promotional material without Declarant's prior written consent. However, Owners may use the term "Three Rivers" in printed or promotional matter where such term is used solely to specify that particular property is located within Three Rivers and the Association shall be entitled to use the word "Three Rivers" in its name.

15.10 Compliance. Every Owner and occupant of any Homesite shall comply with the

Governing Documents. Failure to comply shall be grounds for an action by the Association or by any aggrieved Owner(s) to recover sums due, for damages or injunctive relief, or for any other remedy available at law or in equity, in addition to those enforcement powers granted to the Association in Section 5.3.

15.11 Notice of Sale or Transfer of Title. Any Owner or owner of other property subject to provisions of this Declaration desiring to sell or otherwise transfer title to a Homesite or such other property shall give the Board at least seven (7) Days' prior written notice of the name and address of the purchaser or transferee, the date of such transfer of title, and such other information as the Board may reasonably require. The transferor shall continue to be jointly and severally responsible with the transferee for all obligations of the Owner of the Homesite or such other property, including assessment obligations, until the date upon which such notice is received by the Board, notwithstanding the transfer of title.

15.12 Occupants Bound. All provisions of the Declaration, Bylaws, rules and regulations, use restrictions and architectural guidelines which govern the conduct of Owners and which provide for sanctions against Owners shall also apply to all Occupants and the guests and invitees of Owners and Occupants. The Owner shall be responsible for insuring that the Occupants, the guests, invitees and licensees of the Owner and Occupant strictly comply with all provisions of the Declaration, Bylaws, rules and regulations, use restrictions and architectural guidelines.

15.13. Disclosures. Each Owner and Occupant acknowledge the following:

(a) The views from an Owner's Homesite may change over time due to, among other circumstances, additional development and the removal or addition of landscaping.

(b) No representations are made regarding the zoning of adjacent property, or that the category to which adjacent property is zoned may not change in the future.

(c) No representations are made regarding the schools that currently or may in the future serve the Homesite.

(d) Since in every neighborhood, there are conditions that different people may find objectionable, it is acknowledged that there may be conditions outside of the Development property that an Owner or Occupant may find objectionable and that it shall be the sole responsibility of the Owners and Occupants to become acquainted with neighborhood conditions that could affect the homes.

(e) No representations are made that the home is or will be soundproof or that sound may not be transmitted from one home to another.

(f) The floor plans and the dimensions and square footage calculations shown thereon are only approximations. Any Owner who is concerned about any representations regarding the floor plans should do his/her own investigation as to the dimensions, measurements and square footage of his/her home.

(g) All Owners and Occupants acknowledge and understand that Declarant will be constructing/renovating portions of the Development and engaging in other construction activities. Such activities may, from time to time, produce certain conditions including, without limitation: (A) noise or sound that is objectionable because of its volume, duration, frequency or shrillness; (B) smoke; (C) noxious, toxic, or corrosive fumes or gases; (D) obnoxious odors; (E) dust, dirt or flying ash; (F) unusual fire or explosion hazards; (G) temporary interruption of utilities; and/or (H) other conditions that may threaten the security or safety of Persons in the Development. Notwithstanding the foregoing, all Owners and Occupants agree that such conditions resulting from renovation and construction activities shall not be deemed a nuisance and shall not cause Declarant and its agents to be deemed in violation of any provision of the Declaration.

(h) Exposed concrete surfaces in portions of the home which are not heated and cooled are subject to cracking due to (A) water penetration, (B) expansions and contraction of the concrete with temperature changes, and (C) building settlement.

(i) A home may trap humidity created by every day living (cooking, bathing, laundering, etc.). As a result, condensation may appear on the interior portion of windows and glass surfaces and fogging of windows and glass surfaces may occur due to temperature disparities between the interior and exterior portions of the windows and glass. If left unattended and not properly maintained by Owners and Occupants, the condensation may increase resulting in staining, damage to surrounding seals, caulk, paint, wood work and sheetrock, and potentially, mildew and/or mold.

(j) The Homesites are served by electric transmission lines. Electric transmission lines cause electric fields and magnetic fields, commonly referred to as electromagnetic fields ("EMF"). A company (the "Electric Company") owns an easement in the Development that is shown on the recorded subdivision plats. The Electric Company has the right to install and operate high voltage electric transmission lines, transformers and related facilities and equipment within this easement area. In the future, the Electric Company may construct, expand or otherwise modify transmission facilities located within this easement area. Neither Declarant, nor the Association owns the electric transmission lines, and has no control over the operation of the lines, the flow of electricity. The locations of the lines are the EMF they cause. Owners and Occupants should also know that there is a risk that certain devices such as heart implant devices may not work properly when near certain power lines. The potential health risk from EMF is controversial and Declarant and the Association disclaim any and all responsibility for the EMF and any health risks related thereto.

(k) Owners of Homesites abutting dead-end alleyways are required to place trash receptacles on the street side of the Homesite for collection purposes, but may not maintain such receptacles on the street side of the Homesite.

15.14 No Discrimination. No action shall be taken by the Declarant, the Association or the Board of Directors which would discriminate against any person on the basis of race, creed, color, national origin, religion, sex, familial status or disability.

15.15 Exhibits. Exhibits attached to this Declaration are incorporated by this reference and amendment of such exhibits shall be governed by the provisions of Section 15.2. All other exhibits are attached for informational purposes and may be amended as provided therein or in the provisions

BY-LAWS
OF
THREE RIVERS HOMEOWNERS ASSOCIATION, INC.

ARTICLE 1: NAME, PRINCIPAL OFFICE, AND DEFINITIONS

1.1. Name. The name of the corporation is Three Rivers Homeowners Association, Inc. (the "Association").

1.2. Principal Office. The principal office of the Association shall be located in Rutherford County, Tennessee. The Association may have such other offices, either within or outside the State of Tennessee, as the Board of Directors may determine or as the affairs of the Association may require.

1.3. Definitions. The words used in these By-Laws shall be given their normal, commonly understood definitions. Capitalized terms shall have the same meaning as set forth in that Declaration of Covenants, Conditions, and Restrictions for Three Rivers filed in the Public Records, as it may be amended (the "Declaration"), unless the context indicates otherwise.

ARTICLE 2: ASSOCIATION: MEMBERSHIP, MEETINGS, QUORUM, VOTING, PROXIES

2.1. Membership. The Association shall have one (1) class of membership, as more fully set forth in the Declaration, the terms of which pertaining to membership are incorporated by this reference.

2.2. Place of Meetings. Meetings of the Association shall be held at the principal office of the Association or at such other suitable place convenient to the Members as the Board may designate, either within the Properties or as convenient as is possible and practical. Meetings may be held by means of telephone conference, video conference or similar communications equipment, by means of which all persons participating in the meeting can converse with each other. Participation by one of these methods shall constitute presence in person at such meeting.

2.3. Annual Meetings. The first meeting of the Association, whether a regular or special meeting, shall be held within one (1) year from the date the Association first has members. Subsequent regular annual meetings shall be set by the Board so as to occur during the first or third quarter of the Association's fiscal year on a date and at a time set by the Board.

2.4. Special Meetings. The president may call special meetings. In addition, it shall be the duty of the president to call a special meeting within thirty (30) Days if so directed by resolution of the Board or upon a petition signed by Members representing at least 10% of the total votes in the Association or upon written request of the Declarant.

2.5. Notice of Meetings. Written notice stating the place, day, and time of any meeting of the Members shall be delivered to each Member entitled to vote at such meeting, not less than ten (10) nor more than thirty (30) days before the date of such meeting, by or at the direction of the president or the secretary or the officers or persons calling the meeting.

In the case of a special meeting or when otherwise required by statute or these By-Laws, the purpose or purposes for which the meeting is called shall be stated in the notice. No business shall be transacted at a

special meeting except as stated in the notice.

2.6. Waiver of Notice. Waiver of notice of a meeting of the Association shall be deemed the equivalent of proper notice. Any Member may, in writing, waive notice of any meeting of the Association, either before or after such meeting. Attendance at a meeting shall be deemed a waiver of any objection as to notice of the time, date, and place thereof, unless specific objection as to the lack of proper notice is given at the time the meeting is called to order. Attendance at a special meeting also shall be deemed a waiver of notice of all business transacted at such meeting unless an objection on the basis of lack of proper notice is raised before the business is put to a vote.

2.7. Adjournment of Meetings. If any meeting of the Association cannot be held because a quorum is not present, Members or their proxies holding a Majority of the votes represented at such meeting may adjourn the meeting to a time not less than five (5) nor more than twenty (20) Days from the time the original meeting was called. At the reconvened meeting, if a quorum is present, any business maybe transacted which might have been transacted at the meeting originally called. If a time and place for reconvening the meeting is not set by those in attendance at the original meeting or if for any reason a new date is set for reconvening the meeting after adjournment, notice for reconvening the meeting shall be given to Members in the manner prescribed in Section 2.5.

2.8. Voting. The voting rights of the Members shall be as set forth in the Declaration and in these By-Laws, and such voting rights provisions are specifically incorporated by this reference. The Board may adopt policies and procedures regarding the methods of casting votes, such as written ballots, secret ballots or computer access.

2.9. List for Voting. After setting a record date for notice of a meeting, the Board shall prepare an alphabetical list of the names of the Members entitled to notice of such meeting. The list shall show the address of the Member and the number of votes each is entitled to vote at the meeting. The list for voting shall be made available for inspection in accordance with Tennessee law including without limitation Tenn. Code Ann. §§ 48-66-102 through 48-66-105.

2.10. Proxies. At all meetings of Members, each Member may vote in person (if a corporation, partnership, or limited liability company, or trust, through any officer, director, partner, member, manager or fiduciary duly authorized to act on behalf of the Member) or by proxy, subject to the limitations of Tennessee law. Every proxy shall be in writing specifying the Homesite(s) for which it is given, signed by the Member or such Member's duly authorized attorney-in-fact, dated, and filed with the secretary of the Association prior to the meeting for which it is to be effective. Unless otherwise specifically provided in the proxy, a proxy shall be presumed to cover all votes which the Member giving such proxy is entitled to cast, and in the event of any conflict between two (2) or more proxies purporting to cover the same voting rights, the later dated proxy shall prevail, or if dated as of the same date, both shall be deemed invalid. Every proxy shall be revocable and shall automatically cease upon conveyance of any Homesite for which it was given, or upon receipt of notice by the secretary of the death or judicially declared incompetence of a Member who is a natural person, or of written revocation, or eleven (11) months from the date of the proxy, unless a shorter period is specified in the proxy.

2.11. Quorum. The presence, in person or by proxy, of Members representing twenty percent (20%) of the total votes in the Association shall constitute a quorum at all meetings of the Association. If a quorum is present, business maybe continued until adjournment, notwithstanding the withdrawal of Members leaving less than a quorum, provided that any action taken is approved by at least a Majority of the votes required to constitute a quorum.

2.12. Conduct of Meetings. The president shall preside over all meetings of the Association, and the secretary shall keep the minutes of the meetings and record in a minute book all resolutions adopted and all other transactions occurring at such meetings.

2.13. Action Without a Meeting. Any action required or permitted by law to be taken at a meeting of the Association may be taken without a meeting, without prior notice and without a vote, if written consent specifically authorizing the proposed action is signed by all Members entitled to vote on such matter. Such consents shall be filed with the minutes of the Association and shall have the same force and effect as a vote of the Members at a meeting. Within ten (10) Days after receiving authorization for any action by written consent, the secretary shall give written notice to all Members summarizing the material features of the authorized action.

ARTICLE 3: BOARD OF DIRECTORS: NUMBER, POWERS, MEETINGS

A. Composition and Selection.

3.1. Governing Body; Composition. The affairs of the Association shall be governed by a Board of Directors, each of whom shall have one (1) equal vote. Except with respect to directors appointed by Declarant or serving as a representative of the Declarant, the directors shall be eligible Members or residents; provided however, no Owner and resident representing the same Homesite may serve on the Board at the same time. No Owner or resident shall be eligible to serve as a director if any assessment for such Owner's or resident's Homesite is delinquent. A "resident" for the purposes of these By-Laws shall mean any natural person eighteen (18) years of age or older whose principal place of residence is a Homesite within the Properties. In the case of a Member which is not a natural person, any officer, director, partner, member, manager, employee, or fiduciary of such Member shall be eligible to serve as a director unless otherwise specified by written notice to the Association signed by such Member, provided no Member may have more than one (1) such representative on the Board at a time, except in the case of directors appointed by Declarant.

3.2. Number of Directors. The Board shall consist of three (3) to five (5) directors, as provided in Sections 3.3 and 3.5 below. The initial Board shall consist of three (3) directors appointed by Declarant as provided in Section 3.3 and shall increase as provided in Section 3.5. After the termination of the Control Period, the Board may, by resolution, increase or decrease the number of directors.

3.3. Directors During Control Period. Subject to the provisions of Section 3.5, the directors shall be selected by Declarant acting in its sole discretion and shall serve during the Control Period.

3.4. Nomination and Election of Directors. Elected directors shall be nominated from the floor at a meeting of the Association and may also be nominated by a nominating committee, if such a committee is established by the Board. All candidates shall have a reasonable opportunity to communicate their qualifications to the Members and to solicit votes.

Each Owner may cast all votes assigned to such Owner's Units for each position to be filled. There shall be no cumulative voting. That number of candidates equal to the number of positions to be filled receiving the greatest number of votes shall be elected. Directors may be elected to serve any number of consecutive terms.

3.5. Election and Term of Office.

Not later than the first annual meeting occurring after the termination of the Control Period, the Association shall hold an election at which the Members shall elect all five (5) directors who shall serve one-year terms or until elections are held. After the termination of the Control Period, the Board may determine terms of office as deemed appropriate.

3.6. Removal of Directors and Vacancies. Any director elected by the Members may be removed, with or without cause, by Members holding two-thirds (2/3) of the votes entitled to be cast for the election of such director, but shall not be subject to removal solely by Declarant. Any director whose removal is sought shall be given notice prior to any meeting called for that purpose. Upon removal of a director, a successor shall be elected by the Members to fill the vacancy for the remainder of the term of such director.

Any director elected by the Members who has three (3) or more consecutive un-excused absences from Board meetings, or who is more than thirty (30) Days delinquent (or is the resident of a Homesite that is delinquent or is the representative of a Member who is delinquent) in the payment of any assessment or other charge due the Association, may be removed by a Majority of the directors, and the Board may appoint a successor to fill the vacancy until the next annual meeting, at which time the Members may elect a successor for the remainder of the term.

In the event of the death, disability, or resignation of an elected director or the adoption of a Board resolution increasing the number of directors, the Board may declare a vacancy and appoint a successor to fill the vacancy until the next annual meeting, at which time the Members shall elect a successor for the remainder of the term.

This Section shall not apply to directors appointed by Declarant nor to any director serving as a representative of the Declarant. The Declarant shall be entitled to appoint a successor to fill any vacancy on the Board resulting from the death, disability or resignation of a director appointed by or elected as a representative of Declarant.

B. Meetings.

3.7. Organizational Meetings. Within thirty (30) Days after the election or appointment of new directors, the Board shall hold an organizational meeting at such time and place as the Board shall set.

3.8. Regular Meetings. Regular meetings of the Board may be held at such time and place as a Majority of the directors shall determine, but at least one (1) such meeting shall be held during each quarter.

3.9. Special Meetings. Special meetings of the Board shall be held when called by written notice signed by the president or vice president or by any two (2) directors.

3.10. Notice. Notice of a regular meeting shall be communicated to directors not less than four (4) Days prior to the meeting. Notice of a special meeting shall be communicated to directors not less than seventy-two (72) hours prior to the meeting. No notice need be given to any director who has signed a waiver of notice or a written consent to holding of the meeting. The notice shall specify the time and place of the meeting and, in the case of a special meeting, the nature of any special

business to be considered. Notices shall be given to each director by: (a) personal delivery; (b) first class mail, postage prepaid; (c) telephone communication, either directly to the director or to a person at the director's office or home who would reasonably be expected to communicate such notice promptly to the director; (d) telecopier transmission to the director's home or office, with confirmation of receipt by the receiving telecopier; (e) telegram, charges prepaid; (f) overnight or same day delivery, charges prepaid; or (g) electronic mail or e-mail using Internet accessible equipment and services if the director has consented in writing to such method of delivery and has provided the Board with an electronic mail or e-mail address. All such notices shall be given at the director's telephone or telecopier number or sent to the director's address as shown on the records of the Association. Notices sent by first class mail shall be deemed communicated when deposited into a United States mailbox. Notices given by personal, overnight or courier delivery, telephone, telecopier, telegraph, or e-mail shall be deemed communicated when delivered, telephoned, telecopied, e-mailed or given to the telegraph company.

3.11. Waiver of Notice. The transactions of any meeting of the Board, however called and noticed or wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice if (a) a quorum is present, and (b) either before or after the meeting each of the directors not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes. The waiver of notice or consent need not specify the purpose of the meeting. Notice of a meeting also shall be deemed given to any director who attends the meeting without protesting before or at its commencement about the lack of adequate notice.

3.12. Participation in Meetings. Members of the Board or any committee designated by the Board may participate in a meeting of the Board or committee by means of telephone conference, video conference, or similar communications equipment, by means of which all persons participating in the meeting can converse with each other. Participation in a meeting pursuant to this Section shall constitute presence in person at such meeting.

3.13. Quorum of Board of Directors. At all meetings of the Board, a Majority of the directors shall constitute a quorum for the transaction of business, and the votes of a Majority of the directors present at a meeting at which a quorum is present shall constitute the decision of the Board, unless otherwise specifically provided in these By-Laws or the Declaration. A meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of directors, if any action taken is approved by at least a Majority of the required quorum for that meeting. If any meeting of the Board cannot be held because a quorum is not present, a Majority of the directors present at such meeting may adjourn the meeting to a time not less than four (4) nor more than twenty (20) Days from the date of the original meeting. At the reconvened meeting, if a quorum is present, any business which might have been transacted at the meeting originally called may be transacted without further notice.

3.14. Compensation. Directors shall not receive any compensation from the Association for acting as such unless approved by Members representing a Majority of the total votes in the Association at a regular or special meeting of the Association. Any director may be reimbursed for expenses incurred on behalf of the Association upon approval of a Majority of the other directors. Nothing herein shall prohibit the Association from compensating a director, or any entity with which a director is affiliated, for services or supplies furnished to the Association in a capacity other than as a director pursuant to a contract or agreement with the Association, provided that such director's interest was made known to the Board prior to entering into such contract and such contract was approved by a Majority of the Board, excluding the interested director.

3.15. Conduct of Meetings. The president shall preside over all meetings of the Board, and the secretary shall keep a minute book of Board meetings, recording all Board resolutions and all transactions and proceedings occurring at such meetings. In the case of a tie vote on a motion or resolution before the Board, the motion or resolution is considered lost.

3.16. Open Meetings. Subject to the provisions of Sections 3.12 and 3.17, all meetings of the Board shall be open to all Members, but Members other than directors may not participate in any discussion or deliberation unless permission to speak is requested on a Member's behalf by a director. In such case, the president may limit the time any Member may speak. Notwithstanding the above, the president may adjourn any meeting of the Board, reconvene in executive session, and exclude Members to discuss matters of a sensitive nature.

3.17. Action Without a Formal Meeting. Any action to be taken at a meeting of the directors or any action that may be taken at a meeting of the directors may be taken without a meeting if a consent in writing, setting forth the action so taken, is signed by all of the directors, and such consent shall have the same force and effect as a unanimous vote.

If a timely request is not received, the sanction stated in the notice shall be imposed; provided however, the Board or covenants committee may, but shall not be obligated to, suspend any proposed sanction if the violation is cured within the fifteen (15) Day period. Such suspension shall not constitute a waiver of the right to sanction future violations of the same or other provisions and rules by any Person. In the event of a continuing violation, each day the violation continues beyond the fifteen (15) Day period shall constitute a separate offense, and fines may be imposed on a per diem basis without further notice to the violator. In the event of a violation which recurs within one (1) year from the date of any notice hereunder, the Board or covenants committee may impose a sanction without further notice to the violator.

(b) Hearing. If a hearing is requested within the allotted fifteen (15) Day period, the hearing shall be held before the covenants committee, or if none has been appointed, then before the Board in executive session. The alleged violator shall be afforded a reasonable opportunity to be heard. Prior to the effectiveness of any sanction hereunder, proof of proper notice shall be placed in the minutes of the meeting. Such proof shall be deemed adequate if a copy of the notice, together with a statement of the date and manner of delivery, is entered by the officer, director, or delegate who delivered such notice. The notice requirement shall be deemed satisfied if the alleged violator or its representative appears at the meeting. The minutes of the meeting shall contain a written statement of the results of the hearing and the sanction, if any, imposed. The Board may adopt a schedule of sanctions for violations of the Governing Documents.

(c) Appeal. If a hearing is held before a covenants committee, the violator shall have the right to appeal the committee's decision to the Board. I. INTRODUCTION

Purpose of the Architectural Standards

One of the primary purposes of the Declaration of Protective Covenants, Conditions and Restrictions for Three Rivers (the "Declaration") is to provide for a method of determining certain **Architectural Standards** that will assure that the property within the Development will be developed and maintained in a fashion that will protect the investment of every homeowner. One important aspect of maintaining the integrity of a residential community is provided by the Declaration in authorizing the formation and duties of the Architectural Review Board ("ARB"). The ARB has the right to review and approve changes to the exterior of homes within the Development. The Declaration strictly prohibits the addition of any structure, or the alteration of any structure, on any lot without the written approval of the ARB. The prohibition is very broad, including, but not limited to, the changing of exterior paint colors on a home. The Declaration further states that the ARB has the right to develop and disseminate architectural guidelines for the Development. These guidelines are referred to specifically in the Declaration as the **"Architectural Standards"** and should be considered an extension of the Declaration. This document is not an all-inclusive list of restrictions, but is a set of guidelines to be followed by homeowners when planning landscaping or the construction or alteration of any Structure located on their property. These guidelines do not include any approvals or restrictions required by local governmental authorities.

The **Architectural Standards** set forth herein have been developed and published pursuant to the Declaration in accordance with Section 10.3. Their purpose is to publish guidelines related to (I) the use and maintenance of the property within Three Rivers and (II) the construction of improvements (including the alteration of Structures) upon lots within the Development. As guidelines, these standards may not be determinative of whether or not a particular use of one's property is acceptable, or whether or not the plans for a proposed improvement will be approved. Because of the uniqueness of each lot within the Development, including variations in size, topography and location, certain uses, improvements or modifications suitable for one lot may be inappropriate for another lot. Therefore, despite the guidelines offered by these Standards, the ARB is authorized to apply or adopt different standards for different lots to reflect those differences. As an example, the ARB may allow an improvement, modification or change to a Structure which cannot be seen from any street or other lot within the Development, but prohibits the same improvement if it can be seen from any street or any other lot.

All changes which require approval of local City, local County or any other governmental authority must be approved by the ARB before submission to such authority. Evidence of ARB approvals must accompany all requests for approval by the authority.

The Architectural Review Board

The ARB is made up of members appointed by the Declarant as authorized by the Declaration. The Declaration grants the ARB discretionary powers regarding the aesthetic impact of design, construction and development including architectural style, colors, textures, materials, landscaping, and overall impact on surrounding properties.

It is not the intent of the ARB to impose a uniform appearance within Three Rivers nor to discourage creativity on behalf of the homeowners. Its intent is to promote and assure that all improvements are aesthetically compatible and reflect the image of a quality Development. During the plan review process, the ARB intends to be fair, impartial and understanding of individual goals.

Overview of the Change Request Process

General Information

Homeowners are requested to provide as much detail as possible when submitting a Change Request Form (Appendix "A") to the ARB. This will eliminate confusion and reduce the time required to respond to the requesting homeowner. Plans should be specific in nature and include such items as types of materials to be used, planned start/completion dates, types of plants, size of plants and actual photographs of swings or arbors when applicable. Plans should also be limited in size to work that can be completed in a 30-day period unless a longer time is requested due to an exceptionally large project. All submissions must be accompanied by appropriate governmental approvals.

The ARB will meet the 3rd Monday of each month to review new change requests and conduct homeowner site visits. Every change request will be responded to in writing within 30 days from the day all final documentation has been received.

Step 1 - Submitting Plans

Homeowners are requested to submit photocopies of all plans and documentation. All submitted plans become the property of the ARB and will not be returned, but filed for future references and verification. Homeowners should deliver their Change Request Form and all necessary documentation, including plans, architectural drawings/photographs, property survey showing improvements and description of materials to:

PREFERRED PROPERTY MANAGEMENT, LLC
CONTACT: GAYLE ALLMAN
615-898-7204

Once plans are received, they will be date stamped and reviewed by the ARB in the order in which they are received. In most cases, the homeowner's participation is not required for the onsite review, but is always welcome.

Step 2-On-Site Review Process

The purpose of the on-site review is for the ARB members to assess the impact the request may have to neighbors and the general quality of the Development. The onsite process is usually brief (5-20 minutes) with no or limited homeowner involvement. However, we recommend that a homeowner be available for questions for complex plans.

Step 3-Decision Process

Upon completion of the site review, the ARB will stamp the change request with one of four decisions and will contact the homeowner directly to explain the decision.

Plan Accepted - The plan was accepted as documented and the homeowner can begin the requested changes immediately upon obtaining all necessary governmental permits. All work must be done in accordance with the plans as approved by the ARB. All changes or modifications to plans must be reviewed and approved by the ARB.

Plan Accepted with Specific Conditions - The plan was accepted with specific conditions. The homeowner should review the conditions and if in agreement sign the conditions form and submit it to the ARB.

Plan Denied with Explanation - If the homeowner's plan was denied, an explanation will be provided. In many cases, the ARB will recommend one or more alternative solutions. If the homeowner is receptive to one of these solutions, they simply need to resubmit a Change Request Form detailing the plan within 60 days.

Plan Pending - If a plan was submitted incomplete, the homeowner will be notified and the plan will be held until the required documentation has been received.

ARB's Right to Verify Construction in Accordance with Approved Plans

While under construction or after completion, the ARB does reserve the right to review approved plans to make certain the actual construction adheres to the approved plan.

Violation Fines

The discretionary powers of the ARB are also coupled with the ability to establish and levy fines and penalties for noncompliance and, with the cooperation of the Board of Directors of the Association, also include the right to suspend membership rights, including the right to vote or to use the recreational facilities, if applicable. Although not limited to the following, "noncompliance" would include the failure to obtain approval of a new Structure in conformance with approved plans. Homeowners who are in violation of the Declaration and the standards set forth in this document will be notified in writing of the violation and will be fined and penalized in accordance with the Declaration.

Disclaimers

Approval of any Structure by the ARB is in no way a certification that the structure has been built in accordance with any governmental rules or that the Structure complies with sound building practices. Homeowners are required by law to obtain a building permit for all new construction.

These Architectural Standards set forth herein have not been reviewed for engineering or structural design or quality of materials. In fact, it is very likely that certain standards have been adopted solely on the basis of aesthetic considerations. Therefore, no one should use or rely upon these Architectural Standards as standards for structural integrity or soundness of design for any construction or modification of a Structure or for ensuring compliance of any activity or construction with building codes, zoning regulations and other governmental requirements. These things must be determined by, and are the sole responsibility of, each homeowner within the Development.

Please remember that, like the Architectural Standards, plans and specifications are not reviewed for engineering or structural design or quality materials. By approving such plans and specifications, neither Declarant, the Association, the ARB, the Board, nor the officers, directors, members, employees and agents of any of them shall be liable in damages to anyone submitting plans and specifications to any of them for approval, or to any homeowner of property affected by the Declaration by reason of mistake in judgment, negligence or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specifications.

It is the sole responsibility of the homeowner to ensure that structures are safe. Approval of any type of Structure including children's playsets by the ARB in no way guarantees the safety of the individual.

In accordance with the Declaration, every person who submits plans or specifications, and every homeowner has agreed that they will not bring any action or suit against Declarant, the Association, the ARB, the Board or the officers, directors, members, employees and agents of any of them to recover any such damages.
