(b) If a seller discloses a material defect in a supplement to this disclosure report, the prospective buyer shall not have a right to terminate unless: (i) the material defect results from an error, inaccuracy, or omission of which the seller had actual knowledge at the time the prior disclosure was completed and signed by the seller; (ii) the material defect is not repairable prior to closing; or (iii) the material defect is repairable prior to closing, but within 5 business days after the delivery of the supplemental disclosure, the seller declines, or otherwise fails to agree in writing, to repair the material defect.
