

Town of Oneonta

Water and Sewer Department

James Hurtubise, Water & Sewer Operator

3966 St Hwy 23 · PO Box A West Oneonta, NY 13861

Town of Oneonta Water Tap Permit Process effective June, 2023-Dec. 2024

For all Town of Oneonta residents/property owners looking to connect to municipal water the following process applies

- Contact the Town of Oneonta Water/Sewer Dept. 607-432-4581
- Complete a Water Tap permit application and pay the associated fee
 - o \$100.00 Fee for Woodland and Plains Water Districts
 - o Southside Water District will waive the fee until Dec. 31, 2024.
 - o These permits will be scanned and shared with the Code Department for record keeping.
- Please provide estimated water consumption. In higher consumption application a review by the water/ sewer committee is required to confirm adequate supply.
- Once the application process is approved the installation of the water tap and service line may begin. **The tap connection must be inspected prior to backfill. Please give 24 hr. notice prior to work.**
- Residential connection will be inspected by the water dept. at both the curb-stop and at the meter.
- Commercial connection will be inspected by the water dept. at both the curb-stop and the meter. The Code Dept. Inspector will inspect the connection inside the building for domestic water and fire suppression systems. Code Department 607-432-8606
- Once the inspections are complete and the worked performed approved the water will be turned at the curb-stop and metering will begin.
