1,719.45+/- Deeded Acres | 1,305.5+/- Acres Water Rights

Selling Oregon Farms & Ranches Since 1960

# FOR SALE

## Overview

This Eastern Oregon farm is truly one of the nicest alfalfa hay farms in Harney County. Most of the soils are sandy loam and the owner has been proactive in water management which they have installed a Precision Mobile Drip Irrigation (PMDI) on 5 pivots plus have oversized most of the main lines to reduce friction losses. The crops have been regularly rotated for good production. All of the improvements and roads show pride of ownership and are in excellent condition. There is a private cinder pit for the roads.

The improvements include 4 hay sheds of which 3 are sided, 2 manufactured homes for farm labor and a custom built main house, large shop with pull through doors and an office. This hay farm is turn-key. A complete package with over 1000 acres of some of the oldest water rights in the valley.

### Surrounding Area

Harney County, located in the expansive high deserts of rural Eastern Oregon, ranks as the 10th largest county in the United States, encompassing over 10,000 square miles. This vast area boasts diverse landscapes and abundant wildlife. At the southern tip of the county, one can marvel at the stunning vistas of Steens Mountain, which oversees the Alvord Desert & Trout Creek Mountains. The northern region features the Malheur National Forest, Silvies River, & timber country

Wildlife abounds, ranging from large game such as elk, pronghorn, & mule deer to a variety of smaller critters and bird species typical of the Pacific Northwest. The county's primary community, Burns, is situated midway between Central Oregon & the Idaho Border. A two hour trip to the west leads to Bend, while two hours east reaches the Idaho border and the Treasure Valley.
