County Use Tax of 2% shall be collected at the time of issuance of any building or septic permit. Use Tax will be based on estimated building material purchases prior to and during construction. The owner is obligated to pay Use Tax on all materials purchased. Building materials are defined as any material used in the construction of a structure to include, but not be limited to, lumber, concrete, built-in appliances, fixtures, and floor coverings. Copies of receipts must be available for review by the Planning and Zoning Office in the event they need to verify whether proper taxes have been paid at the time of issuance of all building and septic permits. It is the responsibility of the landowner to see that all applicable Use Tax is paid. The Planning and Zoning Officer, or his/her representative, may enter a dwelling or structure with the owner or contractor or their representative present for the purpose of determining compliance with the Use Tax requirements. Penalties and interest charges shall be due on a USE TAX payment, if filed late or if the applicant fails to make arrangements. The penalty for delinquent payment is ten percent (10%) of tax due. Interest for delinquent payment is eighteen percent (18%) per annum.

The following are recommendations from the Colorado Division of Wildlife regarding large predator hazard, dog control, and fencing:

- Store trash and garbage in bear-proof containers away from dwellings.
- Leave pet food outdoors only while the pet is eating.
- Do not feed wildlife of any kind (including hummingbirds, suet-eating birds, and seed-eating birds).
- Keep dogs physically restrained or under the direct control of a person.
- When fencing more than 10 acres, or when fencing acreage that will be contiguous with adjoining fencing, build the fence no more than 40 inches high. Place remaining strands at 28", 22" and 16". Use barbless wire for the bottom strand.

- I understand that:
- electrical and plumbing work require State permits and inspections;
- a Homeowner's packet is available;
- the County has a "Right to Ranch and Farm" Policy

I acknowledge that I am responsible for complying with the Custer County Regulations and it is the responsibility of the landowner to apply for and obtain all necessary permits. I have read and understand the above, and the information I have provided is complete and accurate to the best of my knowledge.

ZONING PERMIT APPLICATION FOR A DWELLING

No structure, including foundations, shall be constructed, moved or have an addition thereto, until a zoning permit has been issued. A permit for a sewage disposal system or variance must be submitted prior to acceptance of this application.

Submit this application with:

- permit fee
- copy of scaled floor plans with all exterior dimensions, plot plan and elevation drawing
- proof of a County Access Permit, if access to the property is from a County maintained road
- OWTS variance application, fee and receipt for Portable Chemical Toilet for Construction
- gate code (can be submitted on a separate sheet which will not be placed in file)

The pre-construction cost of the permit is \$0.75 per square foot of total floor area for each floor, not including decks. If any work is started, including excavation, at the building site before the permit is obtained, the post-construction cost is \$2.25 per square foot of total floor area. The exterior of the structure must be completed within two years or a new permit will be required before further construction may take place. The new permit will be charged at the fee current at the time of application. Work on the interior may take as long as necessary, however use tax will continue to be due annually until the project is completed.

The Custer County Zoning Resolution requires a **compliance inspection** at the end of a building project. Inspection of the site will confirm that the structure, water, plumbing, electric, septic system and other zoning commitments, are in compliance with this Resolution.

Custer County does not enforce covenants or deed restrictions.
Custer County requires use of Reflective Address Markers.
