

LEAD-BASED PAINT DISCLOSURE

1 Federal law mandates that Sellers of housing constructed prior to 1978 must complete certain Lead-Based Paint
2 Disclosure requirements. These should be completed before the Buyer makes an offer and certainly before the Seller
3 accepts a purchase offer, otherwise the Buyer may not be obligated under any contract to purchase such housing.

4 Lead Warning Statement

5 Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is
6 notified that such property may present exposure to lead from lead-based paint that may place young children at risk of
7 developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including
8 learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also
9 poses a particular risk to pregnant women. The Seller of any interest in residential real property is required to provide
10 the Buyer with any information on lead-based paint hazards from risk assessments or inspections in the Seller's
11 possession and notify the Buyer of any known lead-based paint hazards. A risk assessment or inspection for possible
12 lead-based paint hazards is recommended prior to purchase.
