Property Condition Disclosure Statement

Name of Seller or Sellers: James B Lebaron, Judith Lebaron

Property Address: 6 Hatfield Ave, Sidney, NY 13838

General Instructions:

The Property Condition Disclosure Act requires the seller of residential real property to cause this disclosure statement or a copy of thereof to be delivered to a buyer or buyer's agent prior to the signing by the buyer of a binding contract of sale.

Purpose of Statement:

This is a statement of certain conditions and information concerning the property known to the seller. This Disclosure Statement is not a warranty of any kind by the seller or by any agent representing the seller in this transaction. It is not a substitute for any inspections or tests and the buyer is encouraged to obtain his or her own independent professional inspections and environmental tests and also is encouraged to check public records pertaining to the property.

A knowingly false or incomplete statement by the seller on this form may subject the seller to claims by the buyer prior to or after the transfer of title.

"Residential real property" means real property improved by a one to four family dwelling used or occupied, or intended to be used or occupied, wholly or partly, as the home or residence of one or more persons, but shall not refer to (a) unimproved real property upon which such dwellings are to be constructed or (b) condominium units or cooperative apartments or (c) property on a homeowners' association that is not owned in fee simple by the seller.

Instruction to the Seller:

- a. Answer all questions based upon your actual knowledge.
- b. Attach additional pages with your signature if additional space is required.
- c. Complete this form yourself.
- d. If some items do not apply to your property, check "NA" (Non-applicable). If you do not know the answer check "Unkn" (Unknown).

Seller's Statement:

The seller makes the following representations to the buyer based upon the seller's actual knowledge at the time of signing this document. The seller authorized his or her agent, if any, to provide a copy of this statement to a prospective buyer of the residential real property. The following are representations made by the seller and are not the representations of the seller's agent.

GENERAL INFORMATION

1. How long have you owned the property? 60 years
2. How long have you occupied the property? 60 years
3. What is the age of the structure or structures? 1959
Note to buyer - If the structure was built before 1978 you are encouraged to investigate for the presence of lead based paint.

ENVIRONMENTAL

Note to Seller:

In this section, you will be asked questions regarding petroleum products and hazardous or toxic substances that you know to have been spilled, leaked or otherwise been released on the property or from the property onto any other property. Petroleum products may include, but are not limited to, gasoline, diesel fuel, home heating fuel, and lubricants. Hazardous or toxic substances are products or other material that could pose short or long-term danger to personal health or the environment if they are not properly disposed of, applied or stored. These include, but are not limited to, fertilizers, pesticides and insecticides, paint including paint thinner, varnish remover and wood preservatives, treated wood, construction materials such as asphalt and roofing materials, antifreeze and other automotive products, batteries, cleaning solvents including septic tank cleaners, household cleaners, pool chemicals and products containing mercury and lead and indoor mold.

Note to Buyer:

If contamination of this property from petroleum products and/or hazardous or toxic substances is a concern to you, you are urged to consider soil and groundwater testing of this property.

10. Is any or all of the property located in a Federal Emergency Management Agency (FEMA) designated floodplain? *If yes, explain below* Yes No Unkn NA

11. Is any or all of the property located wholly or partially in the Special Flood Hazard Area ("SFHA"; "100-year floodplain") according to the Federal Emergency Management Agency's (FEMA's) current flood insurance rate maps for your area? *If yes, explain below* Yes No Unkn NA

12. Is any or all of the property located wholly or partially in a Moderate Risk Flood Hazard Area ("500-year floodplain") according to FEMA's current flood insurance rate maps for your area? *If yes, explain below* Yes No Unkn NA

13. Is the property subject to any requirement under federal law to obtain and maintain flood insurance on the property? *If yes, explain below* Yes No Unkn NA
- Homes in the Special Flood Hazard Area, also known as High Risk Flood Zones, on FEMA's flood insurance rate maps with mortgages from federally regulated or insured lenders are required to obtain and maintain flood insurance. Even when not required, FEMA encourages homeowners in high risk, moderate risk, and low risk flood zones to purchase flood insurance that covers the structure(s) and the personal property within the structure(s). Also note that homes in coastal areas may be subject to increased risk of flooding over time due to projected sea level rise and increased extreme storms caused by climate change which may not be reflected in current flood insurance rate maps.

14. Have you ever received assistance, or are you aware of any previous owners receiving assistance, from the Federal Emergency Management Agency (FEMA), the U.S. Small Business Administration (SBA), or any other federal disaster flood assistance for flood damage to the property? *If yes, explain below* Yes No Unkn NA
- For properties that have received federal disaster assistance, the requirement to obtain flood insurance passes down to all future owners. Failure to obtain and maintain flood insurance can result in an individual being ineligible for future assistance.
- _____
- _____
15. Is there flood insurance on the property? *If yes, attach a copy of the policy* Yes No Unkn NA
- A standard homeowner's insurance policy typically does not cover flood damage. You are encouraged to examine your policy to determine whether you are covered.
16. Is there a FEMA elevation certificate available for the property?
If yes, attach a copy of the certificate Yes No Unkn NA
- An elevation certificate is a FEMA form, completed by a licensed surveyor or engineer. The form provides critical information about the flood risk of the property and is used by flood insurance providers under the National Flood Insurance Program (NFIP) to help determine the appropriate flood insurance rating for the property. A buyer may be able to use the elevation certificate from a previous owner for their flood insurance policy.
17. Have you ever filed a claim for flood damage to the property with any insurance provider, including the National Flood Insurance Program (NFIP)? *If yes, explain below* Yes No Unkn NA

Disclosure of Information on Lead-Based Paint and/or Lead-Based Paint Hazards

Lead Warning Statement

Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase.

Carbon Monoxide and Smoke Detector/Alarm Disclosure

Executive Law §378(5-a) (commonly known as Amanda's Law) requires that every one- or two-family dwelling, dwellings located in a condominium or cooperative and apartments in a multiple dwelling, where the dwelling unit has appliances, devices or systems that may emit carbon monoxide or that have an attached garage, shall have installed an operable carbon monoxide detector. Carbon monoxide alarms must be listed and labeled as complying with UL 2034 or CAN/CSA6.19 and installed in accordance with the manufacturer's installation instructions.

Executive Law §378(5-b) requires that every one-or two-family dwelling and dwellings located in a condominium or cooperative shall have installed an operable single station smoke detecting alarm. The alarm must be installed in an area so that it is clearly audible in each bedroom or other sleeping area, with intervening doors closed. Upon conveyance of any real property containing a one-or two-family dwelling or condominium or cooperative apartment used as a residence, the grantor shall deliver to the grantee at the time of conveyance an affidavit indicating that the grantor is in compliance. The grantee shall have ten days from the date of conveyance to notify the grantor if the alarm(s) is not operable. Upon such notification, the grantor shall bear any cost of compliance. General Business Law §399-ccc provides that all solely battery operated smoke alarms sold after April 1, 2019 shall employ a non-removable, non-replaceable battery that powers the alarm for a minimum of ten years. This requirement does not apply to a smoke alarm that receives its power from the electrical system of the home.

I have received and read this disclosure notice.
