Located 2 miles north of Pie Town, NM, this nice 1,200 square foot home was upgraded and completed in 2018. Situated on 21.85 acres, the well insulated metal home has one bedroom and one full bathroom. The southern entrance opens into a sun room that leads into the spacious living area and kitchen. The bathroom includes a stackable washer and dryer. The paneling and ceiling are pine and wood, flooring is laminate, ceramic and carpet. The bedroom has a big walk in closet with access to the attic space. The utility room has water storage, extra fridge and a chest freezer. Heating is provided by electric wall heaters and a wood stove. Other improvements include a productive well, septic, several storage buildings, fenced garden areas with raised beds, a 2,500 water storage and two carports. This immaculate and well maintained property offers endless opportunities for rock hounding, star gazing and is a great place to get away from the big city hustle. Enjoy pristine star filled nights, great neighbors and all kinds of wildlife.
