- to furnish to a buyer one of the following: (1) a residential property disclosure statement (the "Disclosure"), or (2) a residential 7 8
 - property disclaimer statement (permitted only where the buyer waives the required Disclosure). Some property transfers may be exempt from this requirement (See Tenn. Code Ann. § 66-5-209). The following is a summary of the buyers' and sellers'
- 9 rights and obligations under the Act. A complete copy of the Act may be found at Tenn. Code Ann. § 66-5-201, et seq. 10
- Sellers must disclose all known material defects and must answer the questions on the Disclosure form in good faith to the 11 best of the seller's knowledge as of the Disclosure date. 12
- Sellers must give the buyers the Disclosure form before the acceptance of a purchase contract. 13
- Sellers must inform the buyers, at or before closing, of any inaccuracies or material changes in the condition that have 14 occurred since the time of the initial Disclosure, or certify that there are no changes. 15
- Sellers may give the buyers a report or opinion prepared by a professional inspector or other expert(s) or certain information 16 provided by a public agency, in lieu of responding to some or all of the questions on the form (See Tenn. Code Ann. § 66-17 18 5-204).
- Sellers are not required to have a home inspection or other investigation in order to complete the Disclosure form. 19 5.
- Sellers are not required to repair any items listed on the Disclosure form or on any past or future inspection report unless 20 agreed to in the purchase contract. 21
- Sellers involved in the first sale of a dwelling must disclose the amount of any impact fees or adequate facility taxes paid. 22 7.
- Sellers are not required to disclose if any occupant was HIV-positive, or had any other disease not likely to be transmitted 23 by occupying a home, or whether the home had been the site of a homicide, suicide or felony, or act or occurrence which 24 had no effect on the physical structure of the property. 25
- Sellers may provide an "as is", "no representations or warranties" disclaimer statement in lieu of the Disclosure form only 26 if the buyer waives the right to the required disclosure, otherwise the sellers must provide the completed Disclosure form 27 (See Tenn. Code Ann. § 66-5-202). 28
- 10. Sellers may be exempt from having to complete the Disclosure form in certain limited circumstances (e.g. public auctions, 29 court orders, some foreclosures and bankruptcies, new construction with written warranty or owner has not resided on the 30 property at any time within the prior 3 years). (See Tenn. Code Ann. § 66-5-209). 31
- 11. Buyers are advised to include home, wood infestation, well, water sources, septic system, lead-based paint, radon, mold, 32 and other appropriate inspection contingencies in the contract, as the Disclosure form is not a warranty of any kind by the 33 seller, and is not a substitute for any warranties or inspections the buyer may desire to purchase. 34
 - 12. Any repair of disclosed defects must be negotiated and addressed in the Purchase and Sale Agreement; otherwise, seller is not required to repair any such items.
- 13. Buyers may, but do not have to, waive their right to receive the Disclosure form from the sellers if the sellers provide a 37 disclaimer statement with no representations or warranties (See Tenn. Code Ann. § 66-5-202). 38
- 14. Remedies for misrepresentations or nondisclosure in a Property Condition Disclosure statement may be available to buyer 39 and are set out fully in Tenn. Code Ann. § 66-5-208. Buyer should consult with an attorney regarding any such matters. 40
- 15. Representations in the Disclosure form are those of the sellers only, and not of any real estate licensee, although licensees 41 are required to disclose to all parties adverse facts of which the licensee has actual knowledge or notice. 42
