

# RANW MLS – Required PDF Attachment For Listings Submitted to MLS which are Limited Service Listings

## RANW MLS Rule, Section 4.7 LIMITED SERVICE LISTINGS

Limited Service Listings must be identified with the code “Ltd Svc-Yes” in MLS compilations so potential cooperating brokers will be aware of the extent of the services the listing broker will provide to the seller(s), and any potential for cooperating brokers being asked to provide some or all of these services to listing brokers’ clients, prior to initiating efforts to show or sell the property.

Requirement #1: This is a required field on the MLS data sheet and in Listing Input and Maintenance. The RANW MLS Limited Service code will be a Yes/No field. The code will be displayed on the MLS System-Member Type displays.

Requirement #2: Require the property listing, if checked on data sheet as a Limited Service listing, to be submitted into the MLS with an attachment to the listing, indicating which of the services are NOT being provided by the Listing Company. The Listing Company may submit the attachment along with the listing and MLS will upload the attachment; or the Listing Company may upload the PDF attachment to the listing upon entry of listing into the MLS.
