Survey Notes

1. The location of underground improvements or encroachments are not always known and often must be estimated. If any underground improvements or encroachments exist or are shown, the improvements or encroachments are not covered by this certificate.
2. This survey was performed without the benefit of an abstract of title and/or title report and is therefore subject to whatever state of facts that may be revealed in such reports.
3. Building dimensions and offsets shown therefrom, are as measured from the foundation.

Date	Work Performed
8/16/19	Field survey completed.
10/23/19	Foundation/driveway located.

5
Lands of

1. The sole purpose of the certification on this survey is to confirm the professional opinion of the surveyor to the client and on his behalf to the title company, lending institution or governmental body so stated for the specific purposes of this survey. It is not intended to extend this obligation beyond such transaction, or to additional title companies, lending institutions,

owners or subsequent owners of the surveyed parcel, unless specifically stated in said certification.
2. Only surveys bearing the makers embossed seal should be relied upon since other than embossed seal copies may contain unauthorized and undetectable modifications, deletions, additions and changes.

3. The certifications hereon are not transferable.
4. Unauthorized alteration or addition to a survey map bearing a licensed land surveyor's seal is a violation of section 7209, subdivision 2, of the New York State Education Law.
