II. INTRODUCTION. The facilities and programs of the Del Webb eTown Homeowners Association, Inc. (“Association”) were developed specifically for our Residents and their Guests. They were designed and created with utmost care and consideration for the active-adult lifestyle and the personality of a Del Webb eTown community. The rules and regulations that follow were developed to enable you to more fully enjoy and understand the Association and its many benefits. Please take some time to read about your Association and its operating concept. These Rules and Regulations will clarify many new terms and policies while providing basic rules for the use and enjoyment of Association facilities and programs. As in all cases, rules are to assist in the orderly and safe use and application of Association programs, and they are meant to have some flexibility for interpretation. While all business endeavors of this magnitude must have rules, it is the intent of the Board of Directors that all programs be operated with total customer satisfaction in mind. Management, in turn, will target the highest level of customer service and program delivery for its primary objective. We encourage input and involvement from Residents and are committed toward using that energy to build upon and improve the initial program.

III. AUTHORITY. In accordance with Section 9.9.1 of the Community Declaration for Del Webb eTown (“Declaration”), prior to the turnover, Declarant and thereafter Association shall have the right to adopt rules and regulations governing the use of the common areas. The common areas shall be used in accordance with the Declaration and these Rules and Regulations. Please be reminded that the Rules and Regulations serve only as a supplement to the Association’s Governing Documents. The attached information should not be considered an all-inclusive list of the operating guidelines and responsibilities of every Resident. We appreciate your support in our endeavor to provide a safe and desirable environment for all our Residents to enjoy the numerous benefits of living in a Del Webb community. These rules and regulations are not a substitute for reading all the Governing Documents. For a more detailed explanation of the Governing Documents, reference should be made to the Governing Documents which include the Declaration, the Articles of Incorporation of the Del Webb eTown Homeowners Association (“Articles”) and the By-Laws of the Del Webb eTown Homeowners Association, Inc. (“Bylaws”).

IV. STRUCTURE AND MEMBERSHIP.

A. Age-Restricted Community.

1. Del Webb eTown is an age-restricted community operated in compliance with all applicable state and federal laws. The community provides housing for persons 55 years of age or older, and each residential home, if occupied, must be occupied by at least one person 55 years of age or older. No person under 19 years of age may reside in any Residential home for more than 90 days in any consecutive 12-month period. Pursuant to the Housing for Older Persons Act (“HOPA”), at least eighty percent (80%) of the households must meet this condition in order for the community to qualify as a 55+ community. The Developer has reserved the right to sell a limited number of homes for occupancy by those under fifty-five (55), but only to the extent consistent with HOPA, and all leases and re-sales must be for occupancy by at least one person fifty-five (55) or older to preserve the community’s status.
2. In the event of any change in occupancy or ownership of a Lot within Del Webb eTown, the Member shall immediately notify the Association in writing and provide to the Association the names and ages of all current Occupants of the Lot and such other information as the Board may reasonably require to

verify the age of each occupant required to comply with HOPA.

B. Purpose and Legal Status. The Association was formed as a Florida not-for-profit corporation to own the Associations' common area property and to administer and govern the affairs of the community, to maintain and enhance the recreational, social and leisure-time interests of its Residents, and to preserve and enforce community-wide architectural standards.

C. Legal Entity. The Association is a legal entity that is responsible for management, maintenance, operations, and control over all areas of common responsibility. Additionally, the Association is primarily responsible for the enforcement of the Governing Documents; the establishment of reasonable policies, rules and procedures regulating use of all common area properties; and for administering and enforcing the Design Guidelines. The Association, as an incorporated entity, is a private Lot Owner in its own right, and it speaks through its governing documents and policies established by its Board of Directors. Members have specified privileges in the use and enjoyment of common area properties, but they have no proprietary interests.

D. Community Documents.

1. The standard of conduct, maintenance, or other activity prevailing throughout the property is more specifically defined in the Governing Documents, Board policies, and the Design Guidelines. Collectively, the documents cited, these Rules and Regulations and their terms define Del Webb eTown's general plan of development for the community, specifying the level of protection afforded to Residents for their quality of life and collective interests, aesthetics and the environment within the community, and community vitality and character. Board policies may be incorporated into these Rules and Regulations or may be posted separately.
2. The Declaration imposes mutually beneficial restrictions upon all common areas under a general plan of improvement and establishes a flexible and reasonable procedure for the overall development, administration, maintenance and preservation of the common areas. The Articles form the legal basis for the Association by specifying its corporate purpose and delineating the corporate structure and function. The Bylaws more precisely define the Association's reasonable rules of governance, membership, management and administration.

This interest generating account is used solely to purchase new and replacement capital assets or for unanticipated repair of those assets and is not restricted to a certain type of new or replacement asset expense as long as the asset is listed as a Reserve Fund component. This is generally referred to as "Pooled Reserves." The pooling of reserves allows for the expenditure of Reserve funds for Reserve component items; however, the reserve assessments levied is calculated on a per component basis and may be adjusted from year to year at the Budget meeting based upon pooled expenditures spent.
3. A Reserve Fund contribution is determined annually by the Board as part of the regular budget preparation process.

VI. REALES

A. Resale Contributions. The Resale Contribution Assessment is due and payable to the Association upon each transfer or resale of a Lot within Del Webb eTown and will be utilized by the Developer to fund the Association’s operating deficit. This obligation shall not be avoided by brevity of ownership or non-use of amenities and is due and payable in the same manner as an Assessment. The Resale Contribution Assessment shall not apply to transaction that do not constitute a transfer of legal interest as determined by the Florida Department of Revenue, for example, adding a spouse from deed, transferring full ownership interest into a land trust in which the Grantor is the sole beneficiary, creation of a life estate in which the Grantor is the life estate holder, or adding a joint tenant with right of survivorship.

B. Marketing and Showing of Property.

1. In accordance with the Declaration, directional, “For Sale”, “For Lease”, “For Rent”, “Open House” or any other marketing or directional signage is not permitted on any part of the Del Webb eTown property. This marketing signage restriction does not apply to the Developer.
2. Realtors are not automatically provided access into the community. Like other Guests, the virtual gate attendant must receive authorization from the Owner and/or Resident before a realtor is permitted to enter the community.

C. Occupied Lots. Realtors who are visiting the community in order to see a specific residential property must provide their driver’s license and the address of the property of interest to the virtual gate attendant. The virtual gate attendant will then confirm that the area realtor is an authorized guest of the property owner through routine methods (phone or online authorization). In the event that an area realtor arrives and has not been authorized by the Resident, the virtual gate attendant will call the Resident to verify access. If the virtual gate attendant has not received prior notice from the Owner or Resident, and the virtual gate attendant is not able to confirm timely with the Owner or Resident, then the visiting realtor will not be provided access to the community.

D. Estate Sales. All “Estate” sales must be pre-approved by Management and conform to the following:

1. An Estate Sale shall only be permitted at the Home of an Owner or Resident who has either died within the past 180 days or is vacating the property to move either into an assisted living facility or other long-term care facility.
2. The length of an Estate Sale shall be no more than three (3) days. The hours of the Estate Sale shall be limited to 10:00am -3:00pm on approved days.

4. No marketing or directional signage to the Estate Sale is permitted within the Del Webb eTown community.
5. The Owner’s or Resident’s designated representative may provide a pre-approved list of people who should have estate sale access. If a person who is not on the pre-approved list arrives at the gate, the virtual gate attendant will call the resident and/or their representative for access authorization if it does not hinder the flow of traffic through the guest lane. If traffic is present the virtual gate attendant will have the visitor circle around and wait until traffic is cleared before calling the representative again. Virtual gate attendants will not stall traffic flow to verify unregistered guest. Unauthorized people will be denied community access.
6. Estate Sale attendees must conform to the Del Webb eTown parking regulations.

E. Caravans (Broker Only Showing). The Owner or Resident must advise the virtual gate attendant that the caravan showing for realtors will be taking place along with the day and the approximate time. Realtors who are visiting the community in order to participate in a Broker Caravan must provide their driver’s license and the address of the property of interest. The virtual gate attendant will then confirm that the area realtor is an authorized guest of the property owner through routine methods (phone or online authorization). In the event that an area realtor arrives and has not been authorized by the Resident, the virtual gate attendant will call the Resident to verify access, provided it does not hinder the flow of traffic

through the guest lane. If traffic is present the virtual gate attendant should have the visitor circle around and wait until traffic is cleared before calling the Resident. All virtual gate attendant should understand that secure traffic flow is a priority and they should not stall traffic flow to verify an unregistered area realtor.

F. Open Houses. All open house attendees must be authorized by the Owner or Resident to enter the community. The Owner or Resident may provide a list of pre-approved names attending the open house via the gate access system or provide verbal authorization for each attendee via phone upon being called by the virtual gate attendant. If an attendee arrives at the gate whose name is not on the pre-approved list, the virtual gate attendant will call the Owner and/or Resident for authorization. Unauthorized attendees will be denied access into the community. Del Webb eTown does not allow “open access to the community” for Estate Sales or Open Houses.

G. Listing Agent Acting on Behalf of Owner.

1. Owners may empower their listing agent to authorize prospective purchasers and/or Realtors access into the community to visit the Owner’s Lot by first registering the listing agent in the virtual gate access system via either the phone or online methods. Only one licensed realtor may have this authorization at any one time. Authorized realtors, in addition to Owners, Residents and Guests, shall follow the guidelines set forth in these rules and regulations.
2. For the agent to be registered as the listing agent in gate access, the owner must log into the virtual gate software and input the agents name and identify them as the realtor. To register the listing agent via phone, the owner must clearly state the agent’s relationship as being that of the “Listing Agent” at the time that the voice-recorded authorization is provided.
3. To allow the listing agent the ability to “call” in other real estate agents in order to show an owner’s home, the listing agent must be provided with the owner’s gate access PIN# (which can be updated upon request to Management). To allow the listing agent to authorize a buyer or a buyer’s agent via the online gate access platform, the Owner would have to provide their login credentials to their listing agent. Once provided, the listing agent will be able to authorize prospective buyers and the buyer's agent access to the community for that specific visit or day ONLY. The listing agent is not required to accompany the prospective buyer or buyer's agent.
4. The listing agent would be responsible for notifying the owner when their home is scheduled to be shown by either themselves or another real estate agent they called in or registered online.
5. The listing agent will be afforded the same access capabilities as a Resident for the term of their listing agreement or unless otherwise terminated by the owner, the Manager, or the Board in their sole and absolute discretion.
6. Once in the community, realtors entering the Del Webb eTown amenity center and the surrounding amenities must register with Management by signing the Developer Guest/Realtor Log and providing a company business card.
7. Any and all realtors are required to contact the Manager or Lifestyle Director prior to taking any photos/videos. Realtors wishing to photograph amenities for publication will not be allowed to film residents in any photo/video.
8. It is the responsibility of the Owner to understand, educate their realtor, and abide by Section 6.2 “Marketing and Showing of Property” in the adopted Del Webb eTown Rules & Regulations.

H. Hearings

During a hearing, the Fining & Suspension Hearing Committee is not required to make inquiries of its own, but shall be permitted to ask questions of witnesses, including the Owner prior to reaching its decision on an alleged violation(s). The Committee's decision shall be based only upon a review of the oral, visual, audible and written evidence presented during the course of the Hearing, and not upon any outside or independent knowledge. Members of the Hearing Committee may NOT incorporate into the discussion or

its decision-making process any first-hand knowledge they have of the alleged violation, including any independent observation of the alleged violation as to do so would undermine the impartiality and the due process of the hearing process.

The decisions of the Fining & Suspension Hearing Committee are not to be policy decisions for the Association, and shall primarily relate to whether, in light of the facts submitted during the hearing process, there was or was not a violation of the Association's Declaration, Bylaws or Rules & Regulations. Even if the Committee believes the facts should constitute a violation but are do not actually violate any existing set of rules or restrictions, then the Committee shall exonerate the accused Owner – the Fining & Suspension Committee can't “legislate from the bench.” Additionally, the Committee cannot find “no violation” based upon a theory that the violation is ‘unfair’ or ‘inequitable’ if a violation was in fact proven.

2. *Source of Hearings.*

The Board of Directors has the sole discretion of if and when a matter of alleged violation(s) should be referred to the Fining & Suspension Committee for hearing.

3. *Findings by Hearing Committee.*

The primary objective of the Fining & Suspension Hearing Committee at the conclusion of a hearing is to make a decision as to whether or not there has been a violation or violations of the Association's Declaration, Bylaws or Rules & Regulations, and if there was a violation, was it one that continued for more than multiple days. If the Fining & Suspension Committee has found that a violation has occurred, then the Board of Directors shall have the authority to levy and impose the appropriate fine or suspension. If the Fining & Suspension Committee finds that no violation occurred, then no fine or violation can be imposed by the Board of Directors.

- reversed or suspended the decision of the Fining & Suspension Hearing Committee.
- iii. The Board of Directors is not precluded from initiating any other available legal remedies as provided by statute or the Association's Declaration, Bylaws and Rules & Regulations to enforce the violation during the appeal period.
 - iv. The appeal to the Board of Directors is not intended to be a second Hearing on the existence of the violation, however, the Board of Directors may choose in its sole discretion to refer the matter back to the Fining & Suspension Committee for rehearing.
 - v. The Board of Directors may, at any time, in its discretion, during the hearing process, intervene on behalf of the Association. Such intervention by the Board of Directors will include, but shall not be limited to, initiating enforcement action as a result of the violation and/or terminating the Hearing process.

*Fines shall be paid not later than thirty (30) days after notice of the imposition of the fine. Fines shall be treated in the same manner as an unpaid Assessment, subject to the provisions for the collection of Assessments, and the lien securing same. All monies received from fines shall be allocated as directed by the Board of Directors.

**The imposition of a fine shall not be an exclusive remedy and shall exist in addition to all other rights and remedies to which the Association may otherwise have.
