
Our Commitment to You

We know our process may be different from what you're used to, but we pride ourselves on professionalism and respect for all sellers and agents. We also ensure buyer's agents are fully compensated for bringing buyers to our listings.

What to Expect When Working with Our Sellers

- **Respectful Treatment**
Our sellers represent themselves, but we expect the same courtesy and professionalism you provide any client.
- **Accurate Information**
Please refrain from making negative or misleading comments about our business model to sellers. Doing so may violate professional codes of conduct.
- **Limited-Service Listings**
Our sellers use limited-service agreements, where we handle certain tasks and they handle others. Treat these sellers as you would any seller representing themselves.
