- NOTES:
- The boundary lines shown hereon are the result of an actual field survey using monuments found to exist in the field and may not conform precisely to plats or deeds of record.
  - The roads in this subdivision do not meet Va. Department of Transportation (V.D.O.T.) requirements and will not be maintained by them or by the County of Giles. Prior to any future request for their addition to the state secondary system, they shall be constructed in full compliance with V.D.O.T. requirements in effect at that time.
  - Subject property does not lie within the H.U.D. 100-year flood zone.
  - This plat was prepared without the benefit of an attorney's title report and therefore may not show all encumbrances upon the property.
  - The subject property is not intended for residential or other improvements requiring sewage disposal until, pursuant to Sec. 3-45 of the Giles County Subdivision Ordinance, the lot has been approved by the Virginia Department of Health.
